**Falling in Love With Darkness** Osho, 2019-06-15 We have polluted our planet Earth with light Light pollution excessive and obtrusive artificial light with bright neon and LED lights in our cities and in our personal space continuously illuminated and artificial has removed something incredibly valuable from our lives and at the same time affected our ability to sleep rest and relax Falling in Love with Darkness is Osho's attempt to bring us again in contact with darkness but here in a spiritual and psychological context Why do we desire light he asks Why do we hanker so much for light Perhaps we never realize that the desire for light is a symbol of the fear rooted within us it is a symbol of fear We want light so that we can become free of that fear The mind is afraid in the dark The fear of darkness is

based on the fear of being alone the fear of being alone comes together with the fear of darkness Darkness has its own bliss without falling in love with darkness you will be deprived of the capacity to love the great truths of life Next time you find yourself in darkness take a direct look into it and you will discover that it is not so frightening after all When darkness surrounds you become absorbed in it become one with it And you will find that darkness offers you something that light can never give you All the important mysteries of life are hidden in darkness These are talks by Osho given at a meditation camp where he introduces people in a direct and practical way to an understanding of meditation as a way to get acquainted with darkness to re discover that darkness is peace relaxation and stillness all through the simple method of witnessing

Meditation means discovering the one who is beyond all happening and has never been a part of anything **The Lust Giving** Helen Walton,2023-11-17 Can a childhood crush last forever Claire I ve lusted after my best friend s brother since we were teenagers and I first discovered boys Pretending I didn t was easy with my acting skills Apart from the one and only time we kissed but Travis left Now he s back and my stupid heart still beats erratically for him Then I learn he still has feelings for me Travis Leaving Claire was the hardest thing I ve ever done in my life I was only a teenager with my dream career within my grasp After all my hard work I couldn t give it up for my teenage crush on my sister s best friend but I never stopped thinking about her So I chose a movie role where I knew I d get to come back home to win Claire over If I still loved her after all this time then I d act on those feelings The Lust Giving is the emotional fourth standalone book in the Hollywood Hearts short story series If you like instalove holiday romance and a quick read then you ll love Helen Walton s charming romance **The Supermodel's Best Friend (Romantic Comedy, Billionaire Romance)** Gretchen Galway,2015-01-09
