in turn what you may must or must not do Other rules guides take you through the rules in order which is just not how you come across them on the racecourse You don t have to know all the rules off by heart but you do need to know your rights and obligations on the water the rules can be looked up afterwards This knowledge will build your confidence while racing and enable you to make the most of opportunities when they arise Colour diagrams throughout ensure concepts are easily understood If you are going to buy one rule book make it this one Cruising World ,1980-01 *Cruising World* ,1987-01
