Pictorial Assessment of Interpersonal Relationships (PAIR) Anna Silvia Bombi,Giuliana Pinto,Eleonora Cannoni,2007

Individual and Society Lizabeth A. Crawford, Katherine B. Novak, 2024-05-14 Unlike other texts for undergraduate sociological social psychology courses *Individual and Society* covers each of the three research traditions in sociological social psychology symbolic interactionism social structure and personality and group processes and structures With this approach the authors make clear the link between sociological social psychology theory and methodology Students will gain a better understanding of how and why social psychologists trained in sociology ask particular kinds of questions the types of research they are involved in and how their findings have been or can be applied to contemporary societal patterns and problems This new third edition makes the emphasis on social inequality within sociological social psychology a key theme in earlier versions of the book more salient throughout the text by including new or expanded discussions of intersectionality positionality the experiences of gender and sexual minorities racial microaggression contemporary social movements and the complexities of allyship Other additions to the text address the ubiquity of the Internet and social media where the authors consider how these phenomena have shaped the experiences of Generation Z the first digital natives and altered individuals self concepts and social relationships Engaging exercises and group activities are also embedded within each chapter to enhance students readiness to reflect and think critically about the social world around them and to improve their understanding of the different dimensions of sociological social psychology and how they relate to everyday life

Children and Young People's Digital Lifeworlds Chikezie E. Uzuegbunam, 2024-03-26 This book explores the ways in which adolescents in Nigeria domesticate technology and the role of digital gatekeepers such as parents guardians and teachers in their digital lifeworlds Using a child centred framework what emerges is a rounded and textured analysis of how technology fits into pivotal aspects of the lives of teenagers Here teens are understood as actors rather than just users of media and technology The digital lifeworlds of young people in advanced economies of the Minority World are well researched In contrast research focusing on pre teens and teenagers digital practices and participation in Majority World such as Africa is still fundamentally narrow The book is relevant to fields like sociology media studies youth studies mobile media studies African studies and global media studies

Young Children's Play and Creativity Gill Goodliff, Natalie Canning, John Parry, Linda Miller, 2017-07-14 This book draws on the voices of practitioners academics and researchers to examine young children s play creativity and the participatory nature of their learning Bringing together a wide range of perspectives from the UK and internationally it focuses on the level of engagement and exploration involved in children s play and how it can be facilitated in different contexts and cultures This new reader aims to challenge thinking promote reflection and stimulate further discussion by bringing together research and practice on play and creativity Divided into two parts Part I is written by researchers and academics and explores key themes such as creative meaning making listening to children s voices risk and spaces children s rights play and technology Part II is authored by Early Childhood professionals and reveals how practitioners have responded to the issues surrounding play and creativity Each chapter is contextualised by an introduction

to highlight the key points and a list of follow up questions is also included to encourage reflection and debate Drawing on the wide ranging writing of academics practitioners and researchers this book is an invaluable resource for students practitioners and all those who are interested in the essence of play and creativity what it means for children and the far reaching benefits for their well being learning and development
