*Samoan Art and Artists* Sean Mallon, 2002-01-01 *Samoan Art and Artists* is a wide ranging survey of both the traditional and contemporary arts of Samoa. The author has drawn on an extensive research base to present a contemporary and accessible picture of a vibrant culture. The book has a broad sweep covering all facets of the Samoan arts including canoe and house building, siapo, tapa, weaving, tattooing, oratory, adornment, all forms of performance art, the visual arts and literature. An important feature of the book is the inclusion of profiles of living practitioners both from Samoa and the large Samoan communities in other Pacific countries. Publisher description

**World Music Pedagogy, Volume III: Secondary School Innovations** Karen Howard, Jamey Kelley, 2018-05-04 *World Music Pedagogy Volume III: Secondary School Innovations* provides a rationale and a resource for the implementation of World Music Pedagogy in middle and high school music classes, grades 7-12, ages 13-18. Such classes include secondary general music, piano, guitar, songwriting, composition, improvisation, popular music, world music, music technology, music production, music history, and music theory courses. This book is not a depository of ready-made lesson plans but rather a tool to help middle and high school teachers to think globally in the music classroom. Strategies and techniques of World Music Pedagogy are promoted by discussions of a multicultural music education, descriptive vignettes of realistic teaching environments, conversations with culture bearers, pedagogues, and prompts for self-reflection. This volume approaches important issues of multicultural education and social justice that are often neglected in music education texts, proving to be a valuable resource for both nascent music educators and veteran practitioners alike.

Progress and Developments of the Churches in the Samoan Islands: Early 21st Century Fuimaono Fini Aitaoto, 2021-05-25 If you're interested in Church-related events on the American Samoan islands during the early twenty-first century, then you need this book. Following up on his first book on the history of the Assemblies of God Church in American Samoa, author Fuimaono Fini Aitaoto delves deeper into church life on these South Pacific islands. Geared for Bible college students, pastors, and researchers, he answers questions such as: What role has Christianity played in the lives of most Samoans? What notable changes have recently occurred within American Samoa's churches? What is the financial condition of various churches? What role does politics play in church life? While there is ample literature on the history and developments of churches in American Samoa and the Pacific from the late 1800s to the 1980s, there are not nearly as many resources updating the world on new church developments. This book fills that void.
