

# Welcome to 5th Grade!

## Dear 5th Grade Families,

I wanted to take this opportunity to introduce myself and express my excitement about working with you and your child this school year. I know that the first few days of school are filled with mixed emotions, but I can guarantee that if we work together, this will be the best year yet!

This year is going to be filled with a lot of exciting new opportunities for your 5th grader to grow as an individual, and as a part of our learning community. In addition to learning new information and skills in various content areas, we will focus on developing our critical thinking skills, organizational strategies, as well as many other tools that will support your fifth grader as they continue to grow both inside and outside of our classroom.

Please don't hesitate to reach out to me with any questions or concerns that you may have throughout the year. Looking forward to an exciting year together!

All the best,
