A weighty vademecum for the early 21st century. Jim Riordan, Honorary Professor of Sports Studies, University of Stirling. Professor Emeritus at University of Surrey and President of the European Sports History Association. Fully updated and revised, the Second Edition of Barrie Houlihan's ground-breaking book provides students and lecturers with a one-stop text that is comprehensive, multi-disciplinary, accessible, international and engaging. Understand the importance of social structure, power and inequality in analyzing the nature and significance of sport in society. Address the rapid commercialization and regulation of sport. Engage in comparative analysis to understand problems clearly and produce sound solutions. Expand their knowledge through chapter summaries, guides to further reading and extensive bibliographies. This Second Edition contains five brand new chapters which reflect recent concerns with young athletes and human rights, sport and the city, sport and violence, sport and health, and sport and Islam.
