

Master Perfect Activity: Auditing and Evaluating Documentation in an Inpatient Chart

Overview

This activity is designed for the coding review, auditing, and evaluation of documentation. This is a good critical thinking, problem-solving activity and a good way to evaluate the quality of documentation. This activity is designed to be used as a review of the documentation for coding. This activity provides a table for coding from which to select the documentation for coding. This activity is used as a review of the documentation for coding.

Instructions

1. Completion of Master Perfect Activity: Review, Audit, and Evaluate Documentation in an Inpatient Chart

Instructions

1. If you have questions about this activity, please contact your instructor for assistance.
2. Document your answers to the questions in this document as you complete the activity. If you are not sure of the answer, please contact your instructor for assistance. If you are not sure of the answer, please contact your instructor for assistance.
3. Complete the activity and provide a copy of the activity to your instructor for review and evaluation.

Instructions

1. Use your knowledge and skills to complete the activity and provide a copy of the activity to your instructor for review and evaluation.
