Required Inge Bell, Bernard McGrane, John Gunderson, Terri L. Anderson, 2013-10-31 This Fifth Edition of the underground classic *This Book Is Not Required* An Emotional and Intellectual Survival Manual for Students by Inge Bell Bernard McCrane John Gunderson and Teri Anderson breaks new ground in participatory education offering insight and inspiration to help undergraduates make the most of their college years This edition continues to teach about the college experience as a whole looking at the personal social intellectual technological and spiritual demands and opportunities while incorporating new material highly relevant to today's students The material is presented in a personable and straightforward manner maintaining Dr Inge Bell's illuminating writing style throughout and inviting students to take responsibility for and make the most of their educational experiences Performance as Research Annette Arlander, Bruce Barton, Melanie Dreyer-Lude, Ben Spatz, 2017-12-06

Performance as Research PAR is characterised by an extraordinary elasticity and interdisciplinary drive *Performance as Research* Knowledge Methods Impact celebrates this energy bringing together chapters from a wide range of disciplines and eight different countries This volume focuses explicitly on three critical often contentious themes that run through much discussion of PaR as a discipline Knowledge the areas and manners in which performance can generate knowledge Methods methods and methodologies for approaching performance as research Impact a broad understanding of the impact of this form of research These themes are framed by four essays from the book's editors contextualising their interrelated conversations teasing out common threads and exploring the new questions that the contributions pose to the field of performance As both an intervention into and extension of current debates this is a vital collection for any reader concerned with the value and legitimacy of performance as research Telling the Story in the Data Caroline Heller, 2022

Traditional dissertations aiming to illuminate the landscapes of education are often too turgid and poorly written to have far reaching readership This book examines the inner workings of a doctoral course focused on teaching qualitative researchers strong narrative writing By the time doctoral students finish their dissertation research bolstered by theoretical grounding and time in the field they are in a unique position to offer insights about education that should be heard in the public arena not just during dissertation defenses For this to happen doctoral students need to know how to achieve their writerly goals

This book focuses on helping doctoral students and all qualitative researchers do just that It is also an excellent resource for professors teaching narrative writing Readers will learn how to use narrative writing to tell the story in the data so their research will be read and potentially infuse policy decisions with the complexity such decisions deserve Book Features Assists students and qualitative researchers with writing research in an engaging and informative manner Focuses on the craft and ethics of writing as an essential constituent of good research Offers practical guidance appropriate for self study or for professors of education who teach writing Contributors Krysta Betit Thelma Goldberg Jeanne Lima Katherine Marsh Denise Mytko Rebecca Redlon Garo Saraydarian Avigail Shimshoni Allison Tucker **The Parlor Begat Amos** Arthur Sturges Hildebrand,1922 **The Kraus Project** Jonathan Franzen,Karl Kraus,2014-09-30 Franzen presents new translations and annotations of the work of early twentieth century satirist Karl Kraus who via his self published magazine Die Fackel attacked the popular media s manipulation of reality the dehumanizing machinery of technology and consumer capitalism and the jingoistic rhetoric of a fading empire Dust jacket flap **Researching Teaching** John Loughran,2002-11 The essays in this volume examine teachers teaching practice knowledge and skill and a range of methodologies are explained The professional skills and knowledge that teachers need is explored **A Teacher'S Tale** Joe Gilliland,2015-03-05 It was never in author Joe Gillilands plan to become a teacher certainly not a college teacher and most certainly not an English teacher But thats what happened and hes never looked back In A Teachers Tale he explains how by neither planning for nor seeking a life of learning and teaching lacking a syllabus or lesson plan he discovered that a life in academe lay in his patha path hes followed for more than fifty years A Teachers Tale begins in 1932 with Gillilands first experiences in schooling and concludes in the summer of 1955 just as he completes his apprenticeship and stands on the brink of becoming a qualified instructor in a small college in east Texas This memoir presents a collection of stories about his experiences as a teacher and a college student A story of schooling deeply immersed in the arts and humanities A Teachers Tale shares Gillilands love of the university and how it compelled him to seek a life devoted to teaching primarily in the community college arena Through this narrative he brings together a philosophy of higher education based on the importance of arts and humanities in todays high tech world **Outpost** Ann Aguirre,2012-09-04 Deuce s whole world has changed Down below she was considered an adult Now topside in a town called Salvation she s a brat in need of training in the eyes of the townsfolk She doesn t fit in with the other girls Deuce only knows how to fight To make matters worse her Hunter partner Fade keeps Deuce at a distance Her feelings for Fade haven t changed but he seems not to want her around anymore Confused and lonely she starts looking for a way out Deuce signs up to serve in the summer patrols those who make sure the planters can work the fields without danger It should be routine but things have been changing on the surface just as they did below ground The Freaks have grown smarter They re watching Waiting Planning The monsters don t intend to let Salvation survive and it may take a girl like Deuce to turn back the tide **Reading, Writing, and Rising Up** Linda

Christensen,2000 Give students the power of language by using the inspiring ideas in this very readable book **Long Time, No See** Beth Finke,2010-10-01 Long Time No See is certainly an inspiring story but Beth Finke does not aim to inspire Eschewing reassuring platitudes and sensational pleas for sympathy she charts her struggles with juvenile diabetes blindness and a host of other hardships sharing her feelings of despair and frustration as well as her hard won triumphs Rejecting the label courageous she prefers to describe herself using the phrase her mother invoked in times of difficulty She did what she had to do With unflinching candor and acerbic wit Finke chronicles the progress of the juvenile diabetes that left her blind at the age of twenty six as well as the seemingly endless spiral of adversity that followed First she was forced out of her professional job Then she bore a multiply handicapped son But she kept moving forward confronting marital and financial problems and persevering through a rocky training period with a seeing eye dog Finke s life story and her commanding knowledge of her situation give readers a clear understanding of diabetes blindness and the issues faced by parents of children with significant disabilities Because she has taken care to include accurate medical information as well as personal memoir Long Time No See serves as an excellent resource for others in similar situations and for professionals who deal with disabled adults or children **The Answers Are There** Libby Hoffman,2022-10-25 A New Architecture for Peace Our world desperately needs new ways to support community transformation In The Answers Are There Libby Hoffman shows us what is possible when outside aid animates rather than obstructs local leadership and recognizes and honors community wisdom priorities and resources This book shares stories of individual and communal transformation in Sierra Leone where the culture of community was nearly destroyed by civil war But the unique approach of Fambul Tok family talk anchoring reconciliation in indigenous traditions of communal truth telling apology and forgiveness restored that culture and unleashed a powerful resource for national healing Fambul Tok s core conviction that ordinary people have the creativity capacity and determination to transform their communities according to their own needs and desires changed a country and with it international peace and development Hoffman shares her learning journey as a peacebuilder and as Fambul Tok s co founder funder and program partner Her diligent compassionate reflection on tending to community to systemic failures and to her own heart invites readers into building peace from the inside out The Answers Are There masterfully blends lived experience thought leadership and actionable techniques inspiring and equipping readers to grow whole healthy systems in the world
