textbook Principles of Real Estate Practice one of the most widely used principles textbooks in the country Finally our national content as well as our question selection is further tailored to the state testing outline promulgated by PSI for Illinois Thus the breadth and depth of the law reviews and test questions reflect the topic emphasis of your state s testing service and your Illinois license exam A word about the test questions IL RELEP s testing practice section consists of ten national practice tests three state practice tests and one state exam sample test The practice tests are roughly 50 questions in length and the sample test is 100 questions The test questions are designed to cover the content covered by the law reviews which reinforces your learning of the total body of information tested by your state exam The questions are direct to the point and designed to test your understanding When you have completed a given test you can check your answers against the answer key in the appendix You may also note that each question s answer is accompanied by a brief explanation or rationale to further reinforce your understanding In the end as you know it s all up to you Unlike other publications we are not going to tell you that using this book will guarantee that you pass your state exam It still takes hard work and study to pass But we have done our best here to get you ready Following that the most we can do is wish you the best of success in taking and passing your Illinois real estate exam So good luck For students looking for a more comprehensive Illinois principles textbook we publish Principles of Real Estate Practice in Illinois **Professional Assistant** Monica Reynolds,Linda Rosen,1996 The Professional Assistant includes more than 50 icon keyed features such as licensing issues quotes and bright ideas for achieving workplace excellence more than 100 lists illustrations flowcharts and blank forms to clarify complex ideas clear easy to read text emphasis on hands on skill development and much more , **Connecticut Real Estate Practice & Law** Katherine A.
