The Complete Book of Ghosts Paul Roland,2007-03-26 No one can deny Paul Roland is a complete master of his subject Colin Wilson author of *The Outsider* Ghosts and spirits inhabit the world around us We can hear and see them if we are only sensitive or psychic enough to be aware of them Re examining a fascinating assortment of recorded sightings from as far back as Roman times the author presents a serious look at ghosts not as chain rattling spooks but as actual entities with which we share a greater reality Nor does he accept that ghosts are merely the spirits of departed people or energies left behind Uniquely Paul Roland provides self tested evidence on the idea of spirits as the manifestation of people still living proving that out of body experiences are not as rare or as impossible as some people might think The result is a profoundly fascinating thought provoking book that will challenge your beliefs as never before
