Broken World Laurie Krieg, 2026-01-13 This book is a gift to all parents trying to navigate the complexity of raising children in today's world. I wish I could make this book required reading for every parent. Christine Caine, founder of A21 and Propel Women. How can you raise your children to not just to survive but to thrive in a world filled with complex and confusing conversations about gender, sexuality and relationships? Navigating the birds and bees is challenging enough for parents. Kids today are faced with all sorts of complex issues and often at a very early age. When is it too early to talk about sex? How can we begin to view the gender conversation? How do we help our kids not to approach the world fearfully but to walk into it confidently even in the world's most controversial spaces? Laurie and Matt Krieg believe that as a Christian parent you can approach sexual topics with confidence and grace by laying a solid gospel-centered foundation from early childhood onward. *Raising Wise Kids in a Sexually Broken World* offers you theological guidance, parenting principles and age appropriate insights for addressing complex issues in healthy ways: issues like marriage and singleness, God's design for sex, same sex attraction and sexual orientation, gender identity, sexual abuse and pornography. In *Raising Wise Kids in a Sexually Broken World* you'll learn to present God's purpose for both marriage and singleness. Explain God's design for sex with clarity. Discuss gender identity from a biblical perspective. Protect your children from sexual abuse. Prevent porn addiction. Promote online safeguards. *Raising Wise Kids in a Sexually Broken World* is a timely and essential resource for today's Christian parents. Rather than retreating in fear you can respond to the brokenness of the world with the goodness, truth and beauty of the gospel and help your kids to do the same. Cast a gospel vision for your kids so that no matter how they experience sexual brokenness within them or around them they have the tools they need to choose the way of Jesus no matter what. **Godey's Lady's Book**, 1844 **The Sandbox Investment** David L. Kirp, 2009-06-30 Listen to a short interview with David L. Kirp. Host Chris Gondek. Producer Heron Crane. The rich have always valued early education and for the past forty years millions of poor kids have had Head Start. Now more and more middle class parents have realized that a good preschool is the smartest investment they can make in their children's future in a competitive world. As *The Sandbox Investment* shows their needs are key to the growing call for universal preschool. Writing with the verve of a magazine journalist and the authority of a scholar, David L. Kirp makes the ideal guide to this quiet movement. He crouches in classrooms where committed teachers engage lively four year olds and reveals the findings of an extraordinary longitudinal study that shows the life changing impact of preschool. He talks with cutting edge researchers from neuroscience and genetics to economics whose findings increasingly show how powerfully early childhood shapes the arc of children's lives. Kids first, politics is smart economics. Paying for preschool now can help save us from paying for unemployment, crime and emergency rooms later. As Kirp reports from the inside, activists and political leaders have turned this potent idea into campaigns and policies in red and blue states alike. *The Sandbox Investment* is the first full story of a campaign that asks Americans to endorse a vision of society that does well by doing good. For anyone who is interested in politics or the social uses of research for anyone who's interested in the
