At the Mercy of Their Clothes Celia Marshik,2016-11-29 In much of modern fiction it is the clothes that make the character Garments embody personal and national histories They convey wealth status aspiration and morality or a lack thereof They suggest where characters have been and where they might be headed as well as whether or not they are aware of their fate At the Mercy of Their Clothes explores the agency of fashion in modern literature its reflection of new relations between people and things and its embodiment of a rapidly changing society confronted by war and cultural and economic upheaval In some cases people need garments to realize themselves In other cases the clothes control the person who wears them Celia Marshik s study combines close readings of modernist and middlebrow works a history of Britain in the early twentieth century and the insights of thing theory She focuses on four distinct categories of modern clothing the evening gown the mackintosh the fancy dress costume and secondhand attire In their use of these clothes we see authors negotiate shifting gender roles weigh the value of individuality during national conflict work through mortality and depict changing class structures Marshik s dynamic comparisons put Ulysses in conversation with Rebecca Punch cartoons articles in Vogue and letters from consumers illuminating opinions about specific garments and a widespread anxiety that people were no more than what they wore Throughout her readings Marshik emphasizes the persistent animation of clothing and objectification of individuals in early twentieth century literature and society She argues that while artists and intellectuals celebrated the ability of modern individuals to remake themselves a range of literary works and popular publications points to a lingering anxiety about how political social and economic conditions continued to constrain the individual

[The Birds](#) Daphne du Maurier,2013-12-17 Including the brilliantly frightening short story that inspired Alfred Hitchcock s masterpiece this collection from the author of Rebecca is a classic work of alienation and horror The chilling stories in this collection echo a sense of dislocation and mock man s dominance over the natural world The mountain

paradise of Monte Veritv promises immortality but at a terrible price a neglected wife haunts her husband in the form of an apple tree a professional photographer steps out from behind the camera and into his subject s life a date with a cinema usherette leads to a walk in the cemetery and a jealous father finds a remedy when three s a crowd Continually provokes both pity and terror Anyone starting this book under the impression that he may sleepily relax is in for a shock The Observer UK **Representing Scotland in Literature, Popular Culture and Iconography** A. Riach,2004-12-10 This fascinating new study is about cultural change and continuities At the core of the book are discrete literary studies of Scotland and Shakespeare Walter Scott R L Stevenson Arthur Conan Doyle the modern Scottish Renaissance of the 1920s and more recent cultural and literary phenomena The central theme of literature and popular representation recontextualises literary analysis in a broader multi faceted picture involving all the arts and the changing sense of what the popular might be in a modern nation New technologies alter forms of cultural production and the book charts a way through these forms from oral poetry and song to the novel and includes studies of paintings classical music socialist drama TV film and comic books The international context for mass media cultural production is examined as the story of the intrinsic curiosity of the imagination and the intensely local aspect of Scotland s cultural self representation unfolds **The English Catalogue of Books**
