Canadian Periodical Index ,1997 Camion Blanc Eric Doumerc,2018-10-23 Le trio vocal Culture fut form en 1976 par Joseph Hill Albert Walker et Roy Sylvester Dayes et leur premier album Two Sevens Clash est aujourd hui consid r

comme l'un des plus importants albums de reggae. Entre 1976 et 2006, il a été produit par Joseph Hill, le leader du groupe Culture, qui a contribué à la popularité du reggae dans les États-Unis, en Afrique et en Europe. La figure charismatique de Joseph Hill ainsi que les harmonies vocales de ses deux amis rendirent les apparitions scéniques du groupe très populaires, mais le rythme effréné des concerts finit par avoir raison de Joseph Hill, qui décéda en août 2006 lors d'une tournée européenne. Cet ouvrage propose une présentation historique puis une analyse thématique de l'œuvre de Culture, qui replace cette dernière dans son contexte social et culturel. Il se compose de trois parties : la première partie présente la tradition orale jamaïcaine qui sous-tend l'œuvre de Culture dans ses aspects profanes et sacrés ; la deuxième partie se veut plus historique et retrace la longue trajectoire du groupe ; la dernière partie adopte une approche thématique et tente de clarifier certains textes importants.
