Astell,2024-07-15 Through close examination of ancient medieval and modern Lives of the saints Ann W Astell demonstrates how the historical transformation of hagiography as a genre correlates with similar changes in biblical studies Christian hagiography flourished from the fourth to the fifteenth centuries illuminating the gospel through the overlapping forms of exempla and vita Originally the Lives of the saints were understood as hermeneutical extensions of the Bible God authors the saint just as God authors the divinely inspired scriptures During the medieval period a sense of dual authorship between God and the cooperating saint developed paralleling the Scholastic impulse to assign greater agency to the human writers of scripture Then in the sixteenth century powerful new anxieties about historical truth pushed hagiography aside for biography its successor Drawing on her expertise in the history of Christianity and biblical exegesis Astell convincingly shows how this radical shift in hagiography's status the loss of the literal allegorical tropological and anagogical senses of the Lives serves as a bellwether for modern biblical reception *Saint Joseph Medical Herald* ,1897

Holy Treasure and Sacred Song Benjamin David Brand,2014 Holy Treasure and Sacred Song explores the complex interplay between relic cults and the liturgy in medieval Tuscany Drawing on documentary literary and visual evidence rarely considered together it reveals that liturgical texts music and ritual were integral to the clergy's well informed promotion of saints buried in their churches **Theatre Is My Life!** Barbara J Sloan,2024-09-04 Meditation day books are popular spiritual or inspirational guides but none have been written quite like this one Drawing from over 50 years of working and creating teaching and nurturing students in theatre the author uses quotes from plays as a basis for rumination and the exploration of life making this particular volume part memoir part life philosophy and part mini theatre history vignettes This

volume is written to be read each day with one writing for each of 366 days of a year With a spiritual message at the heart of the work the book will also appeal to theatre and arts lovers The author has many years experience in teaching the Enneagram the Arts as a transcendent adventure and other wisdom subjects This meditation collection is good for any spiritual seeker who brings a clear heart and an open mind to spiritual exploration As the author says One of the extraordinary things about working in the theatre day in and day out is that the words of the script of the play I am creating soak through my clothing permeate my skin penetrate my brain and saturate my life From these quotes Sloan has created short reflections on life arranged thematically for every day of the year Plays written by real people over the centuries brim with the same sort of emotions and challenges joys and fears that impact us today The characters warn rejoice fuss complain doubt advise and cheer their fellows just as we do today In this work Sloan suggests that reading and watching plays can assist us as we review the physical emotional mental and spiritual natures of our own lives From new beginnings in January to tying up loose ends in December these meditations become a daily traveling partner for those who want to reflect on how art and literature influence and become a part of our lives
