### INTRODUCTION

[Name of Organisation] needs a clear process for creating, passing, and implementing policy. Policy documents should be based on a uniform template, and policy documents should be gathered together as a policy manual.

### PURPOSE

The purpose of this policy is to:

- Lay down a template for all policies and procedures;
- outline a standard procedure for policies and procedures to be taken from their first drafts through to implementation; and to
- illustrate a typical usage of the template.

### POLICY

Fundamental decisions as to the aims, goals and mission of the organisation must be approved by the membership at a general meeting.

Policies, which are designed to serve the organisation's mission by ensuring that day-to-day decisions are informed by deliberation and consultation, must be approved by the Board. The Board may delegate to the CEO responsibility for designing procedures to put those policies into effect.

Policies can be established or altered only by the Board. Procedures may be altered by the CEO.
