

Wedding

When James was in high school he had the likes for a girl, named Savannah. He loved her enough to stare at her in social study class because he sat behind her, years later he went to her house to ask her if she wanted to marry him and she said yes and he got happy and got children, and she died last month.

Career

Lebron's career is to be a basketball player. And today he is in the NBA and with the miami heat. And he is a great player, but he might get transfered to the lakers in 2014, with Carmello Anthony and Kobe Bryant. And he used to play Football for st-vincent-st-mary high. Further more he was a great football player.

Team

Miami heat is a professional basketball team based on Miami, Florida, United state. The team is a member of the southeast Division in the Eastern of the NBA. And where they play there home games is American Airlines Arena in Downtown Miami. And Formed in 1988 as one of the NBA four expansion franchises. Therefore Miami is the best team in the world to me.

Going Gradeless, Grades 6-12 Elise Burns, Elise B Naramore, David Frangiosa, 2021-02-23 Grade reform and standards based grading SBG is a hotly debated issue in education As one high school administrator puts it Traditional letter grading is probably the biggest elephant in the room in regard to school reform We start grading at a young age and it becomes all about accumulating points and it's not about the learning anymore Dan Kelley principal of Smithfield High School Rhode Island When students can focus less on the score and more on the learning great things happen SBG is even more challenging in high school In this book the authors share their districts successes moving to alternate assessment methods that promote learning rather than solely achievement The proponents of grade reform highlight the arbitrary nature of grades the undue stress experienced by some learners and the potential interference in the process of learning On the other hand opponents reference the lack of accountability and a shift away from content knowledge that is perceived in many alternate assessment models This book outlines how to remove the negative impacts of grades while still maintaining a high level of accountability While the majority of other books in this space provide a rationale for why the shift is necessary these authors provide the classroom teacher's perspective and concrete examples of how these approaches can be developed and applied They provide sample assessments student work samples an accountability checklist a sample of their rubrics and a review of our collected data
