Legend of The ?Mono Gnome? "Little John" Adams, 2013-07 Beautiful yet strange this night was Often when I could not sleep I would get up go outside into the fresh air and ponder the gazillion stars overhead I think most people's imagination comes alive when one walks in the dark As I meandered slowly through the forest something distracted the corner of my eye I saw what looked to be a very small person just ahead of me I quickly followed this little being but could not keep up Startling me he suddenly jumped smack dab in my path My heart raced considerably for I had never seen any living thing that looked quite like him The little fellow standing in front of me smiled extended his rather large hand and said Hi John I'm Moffee Moffee Vicket An unusual name I thought But the question was how did he know my name At times when I looked at Moffee it seemed as though he was taller or shorter than at other times but always proportionate for the situation He was very pudgy and had a comforting and disarming countenance about him Even though I didn't speak my thoughts out loud Moffee turned toward me and said Gnomes are supposed to be pudgy And he laughed After very little conversation one could tell he was quite serious about the enjoyment of life Moffee bid me to walk with him and so my life changing story began

A Dictionary of Christ and the Gospels James Hastings, 2004-10 The purpose of this dictionary is to give an account of everything that relates to Christ His Person Life Work and Teaching It is in a sense complementary to the Dictionary of the Bible in which of course Christ has a great place But a dictionary of the Bible being occupied mainly with things biographical historical geographical or antiquarian does not give attention to the things of Christ sufficient for the needs of the preacher to whom Christ is everything This is first of all a preacher's dictionary The authors of the articles have been carefully chosen

from among those scholars who are or have been themselves preachers And even when the articles have the same titles as articles in the Dictionary of the Bible they are written by new men and from a new standpoint It is thus a work which is quite distinct from and altogether independent of the Dictionary of the Bible It is called a Dictionary of Christ and the Gospels because it includes everything that the Gospels contain whether directly related to Christ or not Its range however is far greater than that of the Gospels It seeks to cover all that relates to Christ throughout the Bible and in the life and literature of the world There will be articles on the Patristic estimate of Jesus the Medieval estimate the Reformation and Modern estimates There will be articles on Christ in the Jewish writings and in the Muslim literature Much attention has been given to modern thought whether Christian or anti Christian Every aspect of modern life in so far as it touches or is touched by Christ is described under its proper title James Hastings 1852 1922 was a distinguished scholar and pastor He was founder and editor of the Expository Times and is also well known for editing the five volume Dictionary of the Bible as well as the Encyclopaedia of Religion and Ethics the Dictionary of Christ and the Gospels and the Dictionary of the Apostolic Church

A Dictionary of Christ and the Gospels: Aaron-Knowledge James Hastings, John Alexander Selbie, John Chisholm Lambert, 1906 *the little book of SITCOM* John Vorhaus, 2012-05-25 Writing situation comedies isn't really that hard So much of what you need to know is already defined for you You know that your script needs to be a certain short length with a certain small number of characters You know that your choice of scenes is limited to your show's standing sets and maybe one or two swing sets or outside locations You know how your characters behave and how they're funny either because you invented them or because you're writing for a show where these things are already well established Sitcom is easy and sitcom is fun Sitcom is the gateway drug to longer forms of writing It's a pretty good buzz and a pretty good ride a great way to kill an afternoon or even six months And now thanks to comedy writing guru John Vorhaus author of THE COMIC TOOLBOX HOW TO BE FUNNY EVEN IF YOU'RE NOT writing situation comedy is easier than ever In THE LITTLE BOOK OF SITCOM you'll find a whole trove of tools tricks and problem solving techniques that you can use now today to be the sitcom writer of your wildest dreams Ready to write Ready to have fun THE LITTLE BOOK OF SITCOM is the big little book for you
