

A close-up photograph of a young girl with curly, light brown hair. She has a serious expression and is looking slightly to the left. A black stethoscope is draped around her neck, with the chest piece resting on her upper chest. The background is a soft, out-of-focus green, suggesting grass.

Her life is already fractured.

She doesn't need any
more complications.

Stockman and Farmer, 1927 *The Good, the Bold, and the Beautiful* Dan W. Clanton, Jr., 2006-04-19 The story of Susanna and the Elders is one of the most interpreted and reproduced tales from the Apocrypha and for good reason In its compact narrative it touches on attempted rape female sexuality abuse of power punishment for the wicked and voyeurism The Good the Bold the Beautiful argues that the story of Susanna was written in the first century BCE and Clanton provides a brief description of that century He performs a narrative rhetorical reading of Susanna and illustrates that the story uses sexual anxiety and desire to set up a moral dilemma for Susanna That moral dilemma is resolved in two ways Susanna s refusal to allow herself to be raped and Daniel s intervention Clanton argues that although the story has many mimetic features it is the thematic function that is overriding especially after Daniel s appearance Put another way the story s emphasis on Susanna the Elders and Daniel as plausible people is secondary to its stress on what those characters represent and the message it is relaying through those representations Clanton analyzes chronologically selected aesthetic interpretations of the story found in the Renaissance He shows that the prevailing artistic interpretation during the Renaissance focused on the mimetic sexual aspects of the story because it deals with issues of patronage and sex gender that were current at the time The Good the Bold the Beautiful argues that several Renaissance renderings provide counter readings that focus more on the value and themes in the story These renderings provide models for readers to resist the sexually exploitative features of both the narrative and its interpretations Clanton reflects on the need for the reader to resist potentially harmful interpretation especially those that focus on the mimetic level of the story s rhetoric **The War of 1812** Bud Hannings, 2012-09-17 Although the American Revolution ended in 1783 tensions between the United States and Britain over disruptions to American trade the impressment of American merchant sailors by British ships and British support of Native American resistance to American expansion erupted in another military conflict nearly three decades later Scarcely remembered in England today the War of 1812 stood as a veritable second war of independence to the victorious Americans and ushered in an extended period of peaceful relations and trade between the United States and Britain This major reference work offers a comprehensive day by day chronology of the War of 1812 including its slow build up and aftermath and provides detailed biographies of the generals who made their marks **The Encyclopædia Britannica** Hugh Chisholm, James Louis Garvin, 1926 *Practical Farmer*, 1868 *The Pennsylvania School Journal* Thomas Henry Burrowes, James Pyle Wickersham, Elnathan Elisha Higbee, David Jewett Waller, Nathan C. Schaeffer, John Piersol McCaskey, Thomas Edward Finegan, James Herbert Kelley, 1858

Zion in the Valley: 1807-1907 Walter Ehrlich, 1997 A history of the St Louis Jewish community in the years between 1807 and 1907 discussing the internal socioreligious growth of the group as well as the individual and collective interaction of the Jews with the non Jewish population and examining their role in the development of the city
