

Space Trips

The bus ride started at 6:15 in the morning. It was cold, dark, and everyone was tired, except for me. I was so excited about the trip, I couldn't possibly be tired. The bus ride was very long and all-together boring. It took us a whole six and a half hours to get there. I colored in a My Little Pony coloring book. Finally we arrived.

When I got into my room it smelled really bad. I put my Toy Story sheets onto my bed and held my nose while waiting for everybody else. Then it was time to go learn about space. When we met our leader I was so excited. His name was Brandon, and he was young, fun, and energetic. He really made everything fun.

The best part about the whole thing was probably being with friends and the awesome simulators. There was the G-force, 5 DF chair, and the MAT, and my favorite, the Space Shot. The G-Force was awesome, but it made me feel pretty sick.

Another thing that made me sick was some of the food at camp. The best food was hamburger helper or chicken fingers. Everything else was chewy, and all the same color.

Above all I had an awesome time at Space camp. I learned a lot and had fun.
