Political Cartoons Answers About Watergate:

Watergate William Dudley, 2002 The Watergate scandal that led to the resignation of President Richard Nixon was arguably the biggest political scandal in American history and inarguably a popular topic among the nation's political cartoonists. Cartoons by Herbert L. Block, Garry Trudeau, Paul Conrad, and others are examined in this engaging collection.

Watergate and Investigative Journalism Kristin Thiel, 2018-12-15 The coverage of the Watergate scandal by the Washington Post's Bob Woodward and Carl Bernstein wasn't the first example of investigative journalism in the United States, but it did usher in a new era for the writing form. This book offers its own investigation into the scandal that changed everything: the scandal that sent shockwaves through the world of politics and the world of journalism itself. Details include technology's role in the change, biographies of key players, and the legacy left for generations. *The Watergate Girl* Jill Wine-Banks, 2020-02-25 Obstruction of justice, the specter of impeachment, sexism at work, shocking revelations. Jill Wine-Banks takes us inside her trial by fire as a Watergate prosecutor. It was a time much like today when Americans feared for the future of their democracy and women stood up for equal treatment. At the crossroads of the Watergate scandal and the women's movement was a young lawyer named Jill Wine Volner, as she was then known, barely thirty years old and the only woman on the team that prosecuted the highest-ranking White House officials. Called the mini-skirted lawyer by the press, she fought to receive the respect accorded her male counterparts and prevailed. In *The Watergate Girl*, Jill Wine-Banks opens a window on this troubled time in American history. It is impossible to read about the crimes of Richard Nixon and the people around him without drawing parallels to today's headlines. The book is also the story of a young woman who sought to make her professional mark while trapped in a failing marriage, buffeted by sexist preconceptions and harboring secrets of her own. Her house was burgled, her phones were tapped, and even her office garbage was rifled through. At once a cautionary tale and an inspiration for those who believe in the power of justice and the rule of law, *The Watergate Girl* is a revelation about our country, our politics, and who we are as a society.
