Regional Integration in Africa, 2020-04-06

In Regional Integration in Africa What Role for South Africa Henri Bah Siphamandla Zondi and André Mbata Mangu reflect on African integration and the contribution of post Apartheid South Africa From their different scientific backgrounds they demonstrate that despite some progress made under the African Union that superseded the Organisation of African Unity Africa is still lagging behind in terms of regional integration and South Africa which benefitted from the rest of the continent in her struggle against apartheid has not as yet played a major role in this process Apart from contributing to advancing knowledge the book is a recommended read for all those interested in African regional integration and the relationships between Africa and post Apartheid South Africa Contributors are Henri Bah André Mbata Mangu and Siphamandla Zondi Foreword by Eddy Maloka

POLITIQUE AFRICAINE N-131. Micropolitiques du boom minier

Collectif, 2013-11-04 Le Dossier Micropolitiques du boom minier Coordonné par Benjamin Rubbers avec les contributions de

Luigi Arnaldi di Balme Raphaël Botiveau Sara Geenen Francine Iragi Mukotanyi Cristiano Lanzano Victoria Lickert Timothy Makori Freddy Mbianda Samuel Nguiffo De nombreux pays africains ont l'instigation de la Banque mondiale libéralisé leur secteur minier au cours de ces deux dernières décennies ce qui leur a valu de connaître un afflux d'investisseurs privés d'origines diverses. Comment la mise en œuvre de ces deux formes est-elle négociée par les élites politiques de la présidence aux échelles locales ? Dans quelle mesure les comptoirs et les sociétés qui organisent l'exploitation minière artisanale facilitent-ils l'implantation de ces investisseurs ? Que deviennent dans ce nouveau scramble des ressources naturelles les creuseurs artisanaux et les employés des anciennes entreprises minières ? De quelle façon les syndicats se positionnent-ils face à l'ordre économique et politique qui est en train de se mettre en place ? Au-delà des valuations générales et normatives dont les investissements miniers font habituellement l'objet, ce numéro a pour ambition d'interroger la portée et des changements qu'ils induisent en partant des espaces de lutte dans lesquels ils sont pris et des logiques d'action de ceux qui y prennent part. Sur la base de recherches menées au Burkina Faso, au Cameroun, en République démocratique du Congo et en Afrique du Sud, les contributions rassemblées ici proposent des pistes d'analyse originales pour déchiffrer les jeux micropolitiques qui persistent la formation du boom minier en Afrique. Recherches 1 La Kalaora : Les occupations de fermes au Zimbabwe entre l'agilité, la confrontation et l'engagement ; les expériences des fermiers blancs Mathieu Hilgers et Augustin Loada ; Tensions et protestations dans un régime semi-autoritaire : croissance des rôles populaires et maintien du pouvoir au Burkina Faso. Peace, Security and Post-conflict Reconstruction in the Great Lakes

Region of Africa Lumumba-Kasongo, Tukumbi,2017-11-28 The Great Lakes region of Africa is characterized by protest politics partial democratization political illegitimacy and unstable economic growth Many of the countries that are members of the International Conference on the Great Lakes Region ICGLR which are Burundi Angola Central African Republic Democratic Republic of the Congo Republic of the Congo Kenya Uganda Rwanda Sudan South Sudan Tanzania and Zambia have experienced political violence and bloodshed at one time or another While a few states have been advancing electoral democracy environmental protection and peaceful state building the overall intensity of violence in the region has led to civil wars invasion genocide dictatorships political instability and underdevelopment Efforts to establish sustainable peace meaningful socio economic development and participatory democracy have not been quite successful Using various methodologies and paradigms this book interrogates the complexity of the causes of these conflicts and examines their impact and implications for socio economic development of the region The non consensual actions related to these conflicts and imperatives of power struggles supported by the agents of savage capitalism have paralysed efforts toward progress The book therefore recommends new policy frameworks within regionalist lenses and neo realist politics to bring about sustainable peace in the region

Sud-Soudan, conquérir l'indépendance, négocier l'Etat** AMBROSETTI David, 2011-07-20 *France and the New Imperialism* Bruno Charbonneau, 2016-04-15 The role of French security policy and cooperation in Africa has long been recognized as a critically important factor in African politics and international relations The newest form of security cooperation a trend which merges security and development and which is actively promoted by other major Western powers adds to our understanding of this broader trend in African relations with the industrialized North This book investigates whether French involvement in Africa is really in the interest of Africans or whether French intervention continues to deny African political freedom and to sustain their current social economic and political conditions It illustrates how policies portrayed as promoting stability and development can in fact be factors of instability and reproductive mechanisms of systems of dependency domination and subordination Providing complex ideas in a clear and pointed manner France and the New Imperialism is a sophisticated understanding of critical security studies *Parlements de la rue* Richard Banégas, 2012-11-01 Parlementaires debout de Kinshasa People s Parlements de Nairobi et d Eldoret Ebiméeza de Kampala agoras et parlements patriotiques d Abidjan grins de Bamako et de Ouagadougou r unions de quartiers de Johannesburg dans la rue sur une place ou dans un bar dans un jardin ou au coin d'un kiosque journaux les instances de d bat et de discussion publique fleurissent en Afrique En cho aux manifestants de la Place Tahrir au Caire des indignados de Madrid et des mouvements Occupy qui de Wall Street Tel Aviv ont mis en vidence de nouveaux modes politiques d investissement de l espace urbain ce dossier s interroge sur ce ph nom ne des parlements de la rue en Afrique subsaharienne Faut il voir dans ces rassemblements populaires des espaces de confrontation avec le pouvoir ou des courroies de transmission des mots d ordre de celui ci S'agit il de lieux contre h g moniques propices l mancipiation citoyenne ou au contraire des instruments de d politisation et de subordination un ordre postcolonial fut il nouvellement d lib ratif Que nous dit ce ph nom ne sur les

Loin de toute vision normative, ce dossier tente d'éclairer ces questions par une approche ethnographique des espaces de discussion de rue et de ceux qui les animent. À partir d'études de cas menées en Afrique du Sud, au Kenya, en RDC et en Côte d'Ivoire, il entend engager une réflexion comparatiste sur les fondations sociologiques historiques et imaginaires de l'espace public au Sud comme au Nord du Sahara.

Francophone Africa at fifty Tony Chafer, Alexander Keese, 2015-11-01 France's presence on the African continent has often been presented as cooperation and part of French cultural policy by policy makers in Paris and quite as often been denounced as the longest scandal of the republic by French academics and African intellectuals. Between the last years of French colonialism and France's sustained interventions in former African colonies such as Chad or Côte d'Ivoire during the 2000s, the legacy of French colonialism has shaped the historical trajectory of more than a dozen countries and societies in Africa. The complexities of this story are now for the first time addressed in a comprehensive series of essays based on new research by a group of specialists in French colonial history. The book addresses the needs of both academic specialists and those of students of history and neighbouring disciplines looking for structural analysis of key themes in France's and Africa's shared history.

POLITIQUE AFRICAINE N°098 - Pax africana ? Le nouvel interventionnisme libéral EMVANA Michel Roger, 2005-07-01 Les interventions de la Grande Bretagne, en Sierra Leone, de la France, en Côte d'Ivoire ou de l'Union européenne en Ituri traduisent elles l'affirmation d'un nouvel interventionnisme liberal sous la bannière d'une hypothétique « Pax africana ». *Conflict and Violence in the Lake Chad Basin* Emmanuel Chauvin, Olivier Langlois, Christian Seignobos, Catherine Baroin, 2025-08-01 Ranging from Boko Haram to the war in the Central African Republic, insecurity forms a major factor among societies in the Lake Chad Basin (Cameroon, Central African Republic, Niger, Nigeria, Chad). Marred by conflict and violence, these territories are difficult to access and not well known, so they tend to be out of reach for scholarly study and development programs. The long term and in-depth field studies that this volume presents offer a window on conflict analysis based on insights into local dynamics and the lived world of the people themselves.
