Pollution means making something dirty. Environmental pollution means making the environment dirty, it includes air, water, soil etc. If our surrounds are clean or unpolluted, life is safe but if it is dirty or polluted, life is in danger. Our present world faces this problem awareness about it but now it is increasing. Now the people and the government of the world are realizing the hazards of pollution There are so many reasons of pollution

- Sounds of aircraft, ships, trains, machine and human crowds.
