## Portal To Passion:

A Passion of the South Alphonse Daudet,1910      *Web Portals* Arthur Tatnall,2005-01-01 A Web portal is a special web site designed to act as a gateway giving convenient access to other related sites This book investigates the various types of portals and describes how they can be used in business applications After considering the nature of portals the book describes the first general portals like Yahoo and how they came into being Portals are used in businesses of all types and sizes and this book discusses how portals can be used in large business corporations as well as small to medium enterprises Web portals have increasing importance to marketers as by their nature they retain their users who must return to them frequently They also provide a useful means of making information and knowledge readily available in a convenient form to authorised users This book covers a wide range of issues relating to the use of portals in business      **Reading the Reverse Fa?e of Reims Cathedral** DonnaL. Sadler,2017-07-05 Though long recognized as one of the most beautiful works from the second half of the thirteenth century the magnificent sculptural program of the reverse fa e at Reims Cathedral has received little in the way of scholarly attention Interpreting the iconography in the light of Latin texts associated with the building its history and its ceremonial use Donna Sadler assesses the significance of the reverse fa e in light of other thirteenth century visual programs associated with the court of Louis IX The book s chapters deal with the history of the cathedral and its architectural antecedents the iconographic message of the visual program the meaning of the reverse fa e and how it intersects with the overall iconography the function of the verso and how it is enhanced by the marriage of form and content and a consideration of contemporary works linked to the court of Saint Louis concluding with a brief look at the new roles sculpture assumes as it migrates inside cathedrals Ultimately this book reveals how the imagery on the reverse fa e not only conforms to a system of memory and mode of medieval narratology but also articulates a dominant ideological position regarding the interdependence of ecclesiastical and royal powers      *Towards Knowledge Portals* B. Detlor,2004-03-31 Adopting an informational perspective towards knowledge work this book investigates how enterprise portals can promote knowledge creation distribution and use Moving beyond the design and delivery of portals as mere information retrieval tools an enterprise portal is viewed as a shared information work space that can facilitate communication and collaboration among organizational workers as well as support the browsing searching and retrieval of information content Adopting an information vantage point the book uniquely explores the human issues surrounding enterprise portal adoption and use as well as the utilization of intelligent agents to ameliorate the use of portals for knowledge based tasks The result is a novel rich and comprehensive discussion on the factors affecting the design and utilization of enterprise portals for knowledge work suitable for both graduate level students and organizational workers alike      **Portal Healers** Michelle M. Pillow,2022-11-25 As things heat up the clock is ticking and the time for seduction is running out Alternate Reality Parallel Universe Romance by NYT Bestseller Michelle M Pillow Includes Ariella s Keeper Seducing Cecilia Linnea s Arrangement 1

Ariella's Keeper When his father threatens to take away his research facility's funding if he doesn't come home Dr Sebastjan Walter has no choice This isn't just a family reunion It seems his father has arranged a marriage Sebastjan's Seeing his chance to make one last final deal to get his father out of his life he agrees to marry the woman from a parallel universe After seeing her he can't help but think he's on the better end of that bargain Ariella has been held prisoner by the Medical Supreme since he cured her of a childhood illness Compelled to stay in his home as his ward she has no choice but to follow his rules When he demands she marry his son Ariella finds this is one order she might not mind obeying 2 Seducing Cecilia As things heat up the clock is ticking and the time for seduction is running out In a world obsessed with medical advancement Dr Gerard Fauchet longs for something more When he's assigned as the liaison to a dignitary from a parallel universe he never imagined she'd be so stunningly beautiful or so damned frustrating One second she's kissing him the next she's pretending nothing is between them The passion is scorching everything he ever dreamed of having with a woman He'll make her admit she wants him or die trying Dr Cecilia Markos is keenly aware that she's been shoved through a portal to an alternate reality for one reason to bring home medical advancements for the betterment of her people Unfortunately she only has two months to learn a world's complete medical knowledge base It's an impossible task made even more so by the distractingly handsome Gerard who she can't seem to keep her hands or her mind off of As the clash heats up between Gerard and Cecilia the clock is ticking and the time for seduction is running out 3 Linnea's Arrangement Beautiful highly intelligent Linnea Nel wants what most women want a career love and respect But coming from a plane where order and anti chaos reign the untrackable untraceable and highly rebellious Linnea is considered a threat to her family society and her world When her numerous arrests for reading library books become a public embarrassment to her politically minded sister Linnea is forced on a dignitary mission to an alternate reality There are only two classifications of people on plane 187 Doctors and Not Doctors Sans Dr Sam Swift is one of the highest ranking officials on the medical plane answering only to the Medical Supreme When the Medical Supreme becomes ill it's up to him to find a cure Nowhere in this equation is there room or time to fall in love And then he meets the exquisitely frustrating Sans Linnea Nel In the midst of the worst outbreak 187's society has faced in decades two people who never should have met fall in love How can Linnea stay where she may be in danger But how can Sam let the love of his life go This collection was formerly called Divinity Temptations Box Set Alternate Reality Alternate History Parallel Universe Portal Travel Part of the Divinity Universe **Visual Aggression** Assaf Pinkus, 2021-01-27 Why does a society seek out images of violence What can the consumption of violent imagery teach us about the history of violence and the ways in which it has been represented and understood Assaf Pinkus considers these questions within the context of what he calls galleries of violence the torment imagery that flourished in German speaking regions during the fourteenth and fifteenth centuries Exploring these images and the visceral bodily responses that they produced in their viewers Pinkus argues that the new visual discourse on violence was a watershed in premodern

conceptualizations of selfhood Images of martyrdom in late medieval Germany reveal a strikingly brutal parade of passion severed heads split skulls mutilated organs extracted fingernails and teeth and myriad other torments Stripped from their devotional context and presented simply as brutal acts these portrayals assailed viewers bodies and minds so violently that they amounted to what Pinkus describes as visual aggressions Addressing contemporary discourses on violence and cruelty the aesthetics of violence and the eroticism of the tortured body Pinkus ties these galleries of violence to larger cultural concerns about the ethics of violence and bodily integrity in the conceptualization of early modern personhood Innovative and convincing this study heralds a fundamental shift in the scholarly conversation about premodern violence moving from a focus on the imitatio Christi and the liturgy of punishment to the notion of violence as a moral problem in an ethical system Scholars of medieval and early modern art history and literature will welcome and engage with Pinkus s research for years to come

**The Romanesque Wooden Doors of Auvergne** Walter Cahn,1974 **The Contemporary Museum** Simon Knell,2018-10-11 The Contemporary Museum issues a challenge to those who view the museum as an artefact of history constrained in its outlook as much by professional institutional and disciplinary creed as by the collections it accumulated in the distant past Denying that the museum can locate its purpose in the pursuit of tradition or in idealistic speculation about the future the book asserts that this can only be found through an ongoing and proactive negotiation with the present the contemporary This volume is not concerned with any present but with the peculiar circumstances of what it refers to as the global contemporary the sense of living in a globally connected world that is preoccupied with the contemporary To situate the museum in this world of real and immediate need and action beyond the reach of history the book argues is to empower it to challenge existing dogmas and inequalities and sweep aside old hierarchies As a result fundamental questions need to be asked about such things as the museum s relationship to global time and space to systems and technologies of knowing to the life well lived to the movement and rights of people and to the psychology permanence and organisation of culture Incorporating diverse viewpoints from around the world The Contemporary Museum is a follow up volume to Museum Revolutions and as such should be essential reading for students in the fields of museum and heritage studies cultural studies communication and media studies art history and social policy Academics and museum professionals will also find this book a source of inspiration
