Of a Mystical Portal and Evil Sorcerers RJ Morrison,2014-03-05 One brisk winter s day seventeen year old Myriah Dawson is swept up from her favorite hangout and into a portal that transports her to the magical world of Magerei a world plagued by discrimination hatred and evil sorcerers bent on destroying everything good and claiming Magerei for their own Tasked by God to unite the prejudiced people against the sorcerers she soon meets up with friends both old and new who will aid her in her quest and she uncovers abilities she was unaware she possessed that will be vital to victory But this quest will not be easy and Myriah will find her path fraught with adversity She will have to fight against intense bigotry overcome heartbreaking betrayal and witness horrible massacres if she wishes to succeed Can Myriah end an age old hatred in time to unite a hostile people in a holy cause Can she let go of her own pride and trust solely on God for her victory And what happens when she learns that the people she is fighting for may very well be her own Will such knowledge prove to be for her benefit or for her destruction

Gutter Punks of New Orleans Don Nolan,2023-12-05 Let me take you on this wild ride of my younger years hanging around true anarchists called Gutter Punks or Train Kids as they like to be called in this current day I will break down to the reader how the whole Gutter Punk persuasion started in New Orleans and all the different tactics and rules one must abide by to chill with these rebellious people These nomads usually hop trains to different major cities and always end up for some reason or another in New Orleans Surprisingly you d be amazed how many Gutter Punks I ve met that come from rich well to do families Guessing that this is not the route they wanted to take in life sadly a lot of them end up with ominous ambitions as their goals not all of them though Almost every story in this book takes place in New Orleans and all legal names of characters have been changed as stated on the cover The only names that haven t been changed are the street names for certain Gutter Punks City street names haven t been changed either I am a sober man today and as I sat here in a long term

rehab thinking about my past I asked myself What are you going to do with all these crazy action packed macabre tales you ve experienced over the years I know Tell the world how much fun you had Also let them know how much karma can catch up with you for all the atrocious actions you ve taken hanging out with today s modern Pirate Maybe it will open up the eyes of the public on how our fellow brothers or sisters got into the predicament they did What does not come out in the wash will definitely come out in the rinse 70 70 *The Portal of the Saints of Reims Cathedral* William M. Hinkle,1965 TALES FROM THE PORTAL RUSSELL A RICE,2019-02-21 As one of the sun s light beams shown down through the golden autumn trees he noticed a very small dot of a target straight ahead of him He quickly drew an arrow from the quiver nocked it and let it fly The arrow hissed through the cool autumn air but suddenly just when he had expected it to hit the mark He instead heard a horrifying scream that made him flinch and lose track of where the arrow had gone Jason s heart pounded in his throat and he stood perfectly still for what seemed to be an eternity He listened and watched but nothing moved There were no sounds at all Had he killed an animal For once he wished he were not all alone in the woods After a moment or two when his heart finally returned to a more normal beat he cautiously approached the area where the arrow had vanished The moment he stepped into the vicinity of his last target the hair on the back of his neck stood on end The leaves rustled before him in an odd breeze as a large dark circle suddenly appeared before him *The Eastern Portal of the North Transept at Chartres* Roger J. Adams,1982 There exist greater differences of opinion with regard to the content and style of the Eastern Portal of the North Transept than any other transept portal at Chartres Its archivolts have caused controversy and some remain unidentified Katzenellenbogen The Sculptural Programs of Chartres Cathedral pays little attention to many elements of the portal and hence his interpretation of the portal as Mariological does not hold up in light of newly discovered iconographic relationships **Through the portal** Wesley Wang,2024-11-22 Once there was only a whisper the legend of a being caught between life and death a master of shadows who bore the secrets of forgotten magic This legend was forgotten until today Reborn in iron armor and with a sword as cold as the grave a new power has arisen bound to a destiny as twisted as the dark magic that flows through his veins But the world is no longer the same Old empires have crumbled gods have fallen silent and humanity clings to survival under the shadow of cruel beasts and tyrants In a realm full of ancient terrors a lone warrior rises a fragile spark in an endless storm armed with cursed magic and an unbending will Now a path of rebellion is forged through this unforgiving world With every step secrets come to light that would have been better left buried and powers emerge that can hardly be restrained Forged anew in the fire of revenge unstoppable and implacable this new champion marches toward an uncertain destiny This world has not yet known true darkness but that will soon change Welcome to the edge of the unknown **Through the portal: The rise of the North King** Wesley Wang,2024-11-30 I just wanted a quiet life But then I went through a portal to another world Thrown into a world full of magic flying dragons and dangerous creatures the protagonist finds himself in a land inhabited by powerful gods and mysterious races As an ordinary

citizen who does not even know the language survival seems an impossible task But with the awakening of an unusual ability the power to summon allies from the old world everything changes With each new ally the protagonist rises in the social ranks turning the struggle to survive into a journey to the top However the kingdom is threatened by an invasion of monsters and the fate of the North depends on him Do I really have to save this world I just wanted to go home From ordinary citizen to King of the North the fate of an entire land is in his hands But when two worlds collide who knows what the future will bring
