## **Postwar Urban America Demography Economics And Social Policies:**

Postwar Urban America John F. McDonald, 2014-12-17 This unique and inexpensive book provides a demographic and economic history of urban America over the last 65 years. The growth and decline of most northern cities is contrasted with the steady growth of western and southern cities. Various urban government policies are explored including federal, state, and local policies. There is a chapter focusing on Detroit and its rapid decline toward bankruptcy and its recent strategies to slow recovery. The final two chapters speculate on what's next for urban America and give suggestions for stimulating growth.

Postwar Urban America John F. McDonald, 2014-12-17 This unique and inexpensive book provides a demographic and economic history of urban America over the last 65 years. The growth and decline of most northern cities is contrasted with the steady growth of western and southern cities. Various urban government policies are explored including federal, state, and local policies. There is a chapter focusing on Detroit and its rapid decline toward bankruptcy and its recent strategies to slow recovery. The final two chapters speculate on what's next for urban America and give suggestions for stimulating growth.

American Economic History John F. McDonald, 2025-06-10 This textbook introduces undergraduate and advanced undergraduate students to the economic foundations of America. Providing a rigorous yet accessible exploration of American Economic History from pre-Columbian times up to 1914, it explains the economic and demographic nuances of colonial America, including the Spanish, French, and English colonies, and how they were governed. The book presents the details of the controversy between the English colonists and the English Parliament. It further features the impact of slavery, the Revolutionary and Civil War eras, and includes extensive economic analysis of the post-Civil War nation up to 1914. Based on the author's lectures, the book allows an easy understanding of the economic evolution from the earliest Americans to World War I. Instructors can customize their curriculum by supplementing this fundamental text with additional readings, offering flexibility while ensuring a solid knowledge of the economic aspects of American history. Rethinking

Macroeconomics John F. McDonald, 2016-05-26 The field of macroeconomics has always played host to contesting schools of thought, but the recent Global Financial Crisis has exacerbated those differences. In order to fully understand macroeconomics at the introductory level, students need to be aware of these controversies. Rethinking Macroeconomics introduces students to the different schools of thought, equipping them with the knowledge needed for a real understanding of today's macro economy. The text guides the reader through various approaches to the analysis of the macro economy of the U.S. before presenting the data for several critical economic episodes in order to discover which analytical method provides the best explanation for each event. It covers key background information on topics such as the basics of supply and demand, macroeconomic data, international trade, and the balance of payments and the creation of the money supply. Offering the context that is missing from existing introductory macroeconomics texts, John F. McDonald encourages students to think critically about received economic wisdom. This text is the ideal complement to any introductory macroeconomics textbook.

and is best suited for undergraduate students who have had an introductory course in economics      Inevitably Toxic Brinda Sarathy, Janet Brodie, Vivien Hamilton, 2018-10-30 Not a day goes by that humans aren't exposed to toxins in our environment be it at home in the car or workplace But what about those toxic places and items that aren't marked Why are we warned about some toxic spaces substances and not others The essays in *Inevitably Toxic* consider the exposure of bodies in the United States Canada and Japan to radiation industrial waste and pesticides Research shows that appeals to uncertainty have led to social inaction even when evidence e g the link between carbon emissions and global warming stares us in the face In some cases influential scientists engineers and doctors have deliberately manufactured doubt and uncertainty but as the essays in this collection show there is often no deliberate deception We tend to think that if we can't see contamination and experts deem it safe then we are okay Yet having knowledge about the uncertainty behind expert claims can awaken us from a false sense of security and alert us to decisions and practices that may in fact cause harm In the epilogue Hamilton and Sarathy interview Peter Galison a prominent historian of science whose recent work explores the complex challenge of long term nuclear waste storage      *Down the Up Staircase* Bruce D. Haynes, Syma Solovitch, 2017-04-11 *Down the Up Staircase* tells the story of one Harlem family across three generations connecting its journey to the historical and social forces that transformed Harlem over the past century Bruce D Haynes and Syma Solovitch capture the tides of change that pushed blacks forward through the twentieth century the Great Migration the Harlem Renaissance the early civil rights victories the Black Power and Black Arts movements as well as the many forces that ravaged black communities including Haynes's own As an authority on race and urban communities Haynes brings unique sociological insights to the American mobility saga and the tenuous nature of status and success among the black middle class In many ways Haynes's family defied the odds All four great grandparents on his father's side owned land in the South as early as 1880 His grandfather George Edmund Haynes was the founder of the National Urban League and a protégé of eminent black sociologist W E B Du Bois his grandmother Elizabeth Ross Haynes was a noted children's author of the Harlem Renaissance and a prominent social scientist Yet these early advances and gains provided little anchor to the succeeding generations This story is told against the backdrop of a crumbling three story brownstone in Sugar Hill that once hosted Harlem Renaissance elites and later became an embodiment of the family's rise and demise *Down the Up Staircase* is a stirring portrait of this family each generation walking a tightrope one misstep from free fall      Toxic Debt Josiah Rector, 2022-02-17 From the mid nineteenth until the mid twentieth century environmentally unregulated industrial capitalism produced outsized environmental risks for poor and working class Detroiters made all the worse for African Americans by housing and job discrimination Then as the auto industry abandoned Detroit the banking and real estate industries turned those risks into disasters with predatory loans to African American homebuyers and to an increasingly indebted city government Following years of cuts in welfare assistance to poor families and a devastating subprime mortgage meltdown the state of Michigan used municipal debt to justify suspending democracy

in majority Black cities In Detroit and Flint austerity policies imposed under emergency financial management deprived hundreds of thousands of people of clean water with lethal consequences that most recently exacerbated the spread of COVID 19 Toxic Debt is not only a book about racism capitalism and the making of these environmental disasters It is also a history of Detroit s environmental justice movement which emerged from over a century of battles over public health in the city and involved radical auto workers ecofeminists and working class women fighting for clean water Linking the histories of urban political economy the environment and social movements Toxic Debt lucidly narrates the story of debt environmental disaster and resistance in Detroit

**Postwar America** James Ciment,2015-03-26 From the outbreak of the Cold War to the rise of the United States as the last remaining superpower the years following World War II were filled with momentous events and rapid change Diplomatically economically politically and culturally the United States became a major influence around the globe On the domestic front this period witnessed some of the most turbulent and prosperous years in American history Postwar America An Encyclopedia of Social Political Cultural and Economic History provides detailed coverage of all the remarkable developments within the United States during this period as well as their dramatic impact on the rest of the world A Z entries address specific persons groups concepts events geographical locations organizations and cultural and technological phenomena Sidebars highlight primary source materials items of special interest statistical data and other information and Cultural Landmark entries chronologically detail the music literature arts and cultural history of the era Bibliographies covering literature from the postwar era and about the era are also included as are illustrations and specialized indexes

**Housing in Postwar Canada** John R. Miron,1988-03-01 The size of Canadian households has been declining since at least the 1880s Miron compares this trend to patterns of household size in England and the United States and argues that postwar changes in household formation in Canada were the result of several forces including the postwar baby boom increased longevity changes in marriage pattern rising incidence of divorce increased household affluence and new forms of government assistance to housing While aggregate growth in population families and households helps to explain why more housing was necessary it does not explain changes in the kind of houses desired Miron discusses changes in available housing stock as well as changes in structural type such as the great apartment boom of the late 1960s and the re emergence of owner occupancy in the late 1970s The types of data available for measuring change in the stock and sources of error in housing data are also analyzed One of the books most important contributions is an annotated synthesis of national trends in household formation and housing demand derived from Statistics Canada census data and accompanied by an insightful analysis of the relation of these trends to housing stock evolution This is the only available detailed study of these topics in the Canadian context

*Punishing Places* Jessica T Simes,2021-10-19 A spatial view of punishment The urban model Small cities and mass incarceration Social services beyond the city isolation and regional inequity Race and communities of pervasive incarceration Punishing places Beyond punishing places a research and reform agenda Appendix

data and methodology      **City of Dignity** Sean T. Dempsey, 2022-12-20 Introduction city of dignity Trials by fire Father George Dunne and social justice in postwar Los Angeles Prophets of the secular city the churches and the urban crisis in 1960s Los Angeles Making the global grassroots church based community organizing in 1970s Los Angeles Human rights and religious pluralism in multicultural Los Angeles City of refugees city of sanctuary Time of visitation social Christianity and economic justice in post 1992 Los Angeles      **Social Demography** Karl E. Taeuber, Larry L. Bumpass, James A. Sweet, 2013-10-22 Social Demography focuses on selected topics on social science research on population The papers included in the book are compiled from a conference sponsored by the Center for Population Research held at the University of Wisconsin Madison in June 1975 The book compiles various findings in social and behavioral research Chapters explore topics on trend analysis the sociological meaning of age and the social psychological processes of reproductive behavior analysis of certain aspects of the spatial organization of metropolitan activities the changing racial stratification and the future of research in social demography Demographers sociologists and political and economic policy makers will find the book as a good source of insights      **National Transportation Policies Through the Year 2000** National Transportation Policy Study Commission, 1979      American Education and the Demography of the US Student Population, 1880 - 2014 Richard R. Verdugo, 2018-09-28 This monograph examines changes in the American public school population from 1900 to 2010 It shows how different historical periods have affected the composition of the student body and have posed important challenges to those involved in shaping educational policy The author first develops an analytical framework that merges education and applied demography concepts The education concepts include attendance promotion retention high school graduation and college enrollment While the applied demography concepts take into account size distribution and composition He then applies this framework to the four most recent American historical periods the Progressive Era the Great Depression the Post WWII Era and the Post 1983 Era Readers will come to understand the changing socio demographic profile of American schools due to such factors as immigration from Europe child labor laws internal migration greater fertility and the rise of the Baby Boom generation the changing status of women and minorities the urban crises rising social inequality the 2008 recession and globalization Featuring both historical and current data this volume clearly shows how demographic change affects the teaching and learning environment education policy funding and school segregation Overall it offers insightful analysis that may help shape the future of American education      *National Transportation Policies Through the Year 2000* USA. National Transportation Policy Study Commission, 1979      Post-war Public Housing in Trouble Niels Luning Prak, 1985      Chinese National Identity in the Age of Globalisation Lu Zhouxiang, 2020-06-04 Written by a team of international scholars from China Germany Ireland New Zealand and the UK this book provides interdisciplinary studies on the construction and transformation of Chinese national identity in the age of globalisation It addresses a wide range of issues central to national identity in the context of Chinese culture politics

economy and society and explores a diverse set of topics including the formation of an embryonic form of national identity in the late Qing era the influence of popular culture on national identity globalisation and national identity the interaction and discourse between ethnic identity and national identity and identity construction among overseas Chinese It highlights the latest developments in the field and offers a distinctive contribution to our knowledge and understanding of national identity

European Pensions & Global Finance Gordon L. Clark, 2003 This book explains the demographic and funding crises that threaten continental European systems of pension and retirement income Based upon examination of pension provision in France Germany The Netherlands and the United Kingdom the book argues that state sponsored social security will not deliver promised retirement incomes for the baby boom generation The author considers the future of pensions and in particular the prospects for a Pan European approach to retirement income provision      **Sociological Abstracts** Leo P. Chall, 2004 CSA Sociological Abstracts abstracts and indexes the international literature in sociology and related disciplines in the social and behavioral sciences The database provides abstracts of journal articles and citations to book reviews drawn from over 1 800 serials publications and also provides abstracts of books book chapters dissertations and conference papers
