Pour Lamour Dune Icicle:

Coup de foudre à Icicle Falls Sheila Roberts, 2013-11-01 Une comédie pétillante et pleine de charme Avec consternation Samantha découvre que la chocolaterie familiale installée à Icicle Falls depuis des générations est au bord de la faillite la gestion fantaisiste et les dépenses mirobolantes du précédent directeur ont eu raison des finances de l'entreprise laquelle elle est passionnément attachée Pour l'aider redresser la situation Samantha ne peut guère compter sur ses deux sœurs certes aimantes mais totalement incompetentes en la matière ni sur sa mère incapable d'accepter la réalité Aussi n'a-t-elle qu'un seul espoir convaincre le directeur de la banque de la soutenir Sauf que le directeur en question Blake Preston est un arrogant play boy totalement insensible Et bien trop beau pour se donner la peine d'aider une jeune femme comme elle A propos de l'auteur Avant de se décider une bonne fois pour toutes d'écrire Sheila Roberts a un temps cherché sa voie Par exemple en créant une entreprise de trigrammes chantés ou encore en jouant dans un groupe Aujourd'hui le groupe en question n'existe plus mais Sheila aime toujours écrire des chansons Et quand elle ne participe pas des conférences ou qu'elle ne papote pas avec ses copines elle écrit des histoires sur des sujets chers qui touchent les femmes de près la famille les amies et le chocolat

A French Song Companion Graham Johnson, Richard Stokes, 2002 The French Song Companion is the most comprehensive book of French melody in any language The great accompanist Graham Johnson a noted authority of song provides repertoire guides to the work of some 150 composers the majority of them from France but including British American German Spanish and Italian musicians who have written French vocal music There are major articles on such figures as Fauré Duparc Debussy Ravel and Poulenc substantial articles on Bizet Chabrier Gounod Chausson Hahn and Satie and reassessments of such composers as Massenet Koehlin and Leguérney A host of less celebrated figures who have contributed to the genre take their place in a book which is both informative and entertaining The biographical articles are supplemented by the song translations of Richard Stokes some 700 in all and a veritable treasury of great French poetry from the fifteenth to the twentieth centuries These stand in their own right as indispensable to music lovers concert goers and professional singers and their accompanists This is a book which not only reflects the repertoire as found in today's concert halls but also encourages performers and armchair enthusiasts to explore the neglected highways and byways of an endlessly fascinating and highly civilised body of music
