

Romanticism

The Art of Faith

The Romanticism movement in Europe happened around 1800AD - 1850AD. Meaning "Romantic" the Romanticism architecture was similar to Roman design with columns and arches, however the paintings and sculptures of this time were very different than Roman style art. Romanticism paintings and sculptures mostly depicted stories from the Bible and therefore decorated many churches across Europe.

Aesthetic Disinterestedness Thomas Hilgers, 2016-12-01 The notion of disinterestedness is often conceived of as antiquated or ideological In spite of this Hilgers argues that one cannot reject it if one wishes to understand the nature of art He claims that an artwork typically asks a person to adopt a disinterested attitude towards what it shows and that the effect of such an adoption is that it makes the person temporarily lose the sense of herself while enabling her to gain a sense of the other Due to an artwork's particular

wealth multiperspectivity and dialecticity the engagement with it cannot culminate in the construction of world views but must initiate a process of self critical thinking which is a precondition of real self determination Ultimately then the aesthetic experience of art consists of a dynamic process of losing the sense of oneself while gaining a sense of the other and of achieving selfhood In his book Hilgers spells out the nature of this process by means of rethinking Kant's and Schopenhauer's aesthetic theories in light of more recent developments in philosophy specifically in hermeneutics critical theory and analytic philosophy and within the arts themselves specifically within film and performance art Bulletin of the Art Institute of Chicago ,1929 **The Rough Guide to Spain: Travel Guide eBook** Rough Guides,2025-03-01 Ideal for independent travellers this guidebook to Spain written by destination experts combines must see sights with hidden gems and offers essential tips for both planning and on the ground adventures Inside this Spain travel book you ll find Regional deep dive coverage of key regions offering a rich selection of places and experiences and honest reviews of each one Itinerary samples designed for various durations and interests Practical information tips on how to get there and get around use public transport beat the crowds save time and money travel responsibly and more Expert recommendations insider advice on where to eat drink and stay alongside tips for nightlife and outdoor activities Seasonal tips when to go to Spain climate details and festival highlights to plan your perfect trip Must See pick a curated selection of not to miss sights as chosen by our authors flamenco in Seville sherry tasting in Jerez Burgos cathedral Ibiza's hidden coves Segovia the Dalí museum Toledo Cordoba paradores Navigational maps colour coded maps highlighting essential spots for dining accommodation shopping and entertainment Cultural insights engaging stories delve into the local culture history arts and more enriching your understanding of Spain Language essentials a handy Spanish dictionary and glossary to help you communicate and connect with locals Inspiring travel photography full colour pictures capture the essence of Spain bringing each location to life and fuelling your wanderlust Coverage includes Madrid Castilla La Mancha Extremadura Andalusia La Rioja León the Basque country Asturias Galicia Barcelona Valencia Balearic Islands **Resources in Education** ,1985
