### *Luke-Acts and Jewish Historiography* Samson

Uytanlet, 2014-05-14 In this book Samson Uytanlet states his observation that there is an unnecessary disjunction between Luke s theology and literature in previous studies on Luke Acts Luke s theology is typically studied in light of Jewish writings while Luke s literature is studied in relation with Greco Roman works The author shows that there are theological literary and ideological elements that ancient Greco Roman and Jewish writings share which are also present in Luke s work In areas where they diverge however Luke Acts shows closer affinity to Jewish writings

### **Augustine on the Will** Han-luen Kantzer

Komline, 2020 While Augustine s understanding of will is constantly invoked in secondary literature it rarely receives analysis in its own right In this book Han luen Kantzer Komline provides such an analysis demonstrating that Augustine s view is theologically differentiated comprising four distinct types of human will which correspond to four different theological

scenarios     *Heidegger's Being and Time and Kierkegaard's The Sickness Unto Death as Hermeneutic to Paul's Epistles* Bong-Choul Hwang, 2025-01-16 Dive into a profound exploration of human existence through the philosophical and theological insights of Heidegger Kierkegaard and St Paul This book bridges the existential concepts of Dasein and soma with the spiritual dimensions of Paul's epistles revealing the interplay between individual authenticity interdependent coexistence and the inevitability of death By examining conscience guilt and temporality of time this book offers a unique perspective on how we understand ourselves and relate to others The timeless questions posed by these thinkers can illuminate the path to finding meaning and projecting the possibility of future being beyond the confines of mortality This work is not just an academic study but an invitation to experience and interpret life through a richer philosophical and theological lens     The Gospel of God's Reign Christoph Friedrich Blumhardt, 2013-11-06 No doubt it is common to hear Christians today declaring their allegiance to God's kingdom But what does this actually entail and what difference does it make In his characteristically provocative and daring way Christoph Blumhardt articulates a vision of God's kingdom that turns much of our understanding of modern Christianity upside down In the present volume available in English for the first time Blumhardt leads readers to look at the gospel anew challenging us to follow Jesus in a way that makes God's reign a reality here and now Bypassing vague notions of spirituality as well as transcending simplistic approaches to faith Blumhardt inspires us to actually live under the rule and reign of God
