Romantic Songs

Hermann Hesse, Hesse's literary journey began humbly in 1899 with *Romantische Lieder* a slim collection of lyrical poetry published in Leipzig by Eugen Diederichs This first book whose title translates to Romantic Songs drew on the 19th century German Romantic tradition that Hesse adored in his youth Yet the volume met with little fanfare at the time only 54 of the 600 printed copies sold in its first two years The lukewarm reception disheartened the young poet Even Hesse's family reacted coolly his devout mother was shocked by these secular verses she deemed almost sinful Such was the quiet inauspicious debut of a writer who would later win the Nobel Prize Here we see a youthful preoccupation with transience its rhythms oscillating between ecstatic reverie and brooding solitude Early critics dismissed it as imitative of Hölderlin and Eichendorff yet its unvarnished emotionality foreshadows Hesse's later explorations of spiritual dislocation The poems though derivative in form seed themes of artistic alienation that would burgeon in his novels their rawness a testament to the struggles of a young writer negotiating aesthetic ideals amid industrial modernity The collection reveals a young poet wrestling with themes that would define his later masterworks transience spiritual searching and artistic isolation Through imagery of waning moons and desolate landscapes Hesse crafts an emotional pendulum swinging between exaltation and melancholy Though contemporary critics dismissed these early poems as derivative of Hölderlin and Eichendorff they contain the embryonic explorations of spiritual dislocation that would later come to bare fully in his celebrated novels This edition

includes six previously uncollected pieces published posthumously from this formative period including some relevant vignettes from Hermann Lauscher to create a more comprehensive picture of these early romantic years

Franz Liszt's Songs for Voice and Piano Małgorzata Gamrat, 2023-11-27 How does a Romantic composer approach the poetry he sets as raw material to be remade a pretext for self expression a sanctified artefact or a message to be illustrated with music In my book I examine Franz Liszt's songs for voice and piano which remain little known to scholars artists and music lovers alike The objective is to present Liszt's songs in all their complexity and diversity as well as identifying the key elements of the composer's broadly understood song writing technique both those that make him unique and those that relate him to the European tradition This approach also makes it possible to shed light on a major though previously neglected aspect of the composer's workshop namely his work with the poetic text which to Liszt was just as important as the musical setting

Hindi Film Songs and the Cinema Anna Morcom, 2017-07-05 Since their beginnings in the 1930s Hindi films and film songs have dominated Indian public culture in India and have also made their presence felt strongly in many global contexts Hindi film songs have been described on the one hand as highly standardized and on the other as highly eclectic Anna Morcom addresses many of the paradoxes eccentricities and myths of not just Hindi film songs but also of Hindi cinema by analysing film songs in cinematic context While the presence of songs in Hindi films is commonly dismissed as purely commercial this book demonstrates that in terms of the production process musical style and commercial life it is most powerfully the parent film that shapes and defines the film songs and their success rather than the other way round While they constitute India's still foremost genre of popular music film songs are also situational dramatic sequences inherently multi media in style and conception This book is uniquely grounded in detailed musical and visual analysis of Hindi film songs song sequences and films as well as a wealth of ethnographic material from the Hindi film and music industries Its findings lead to highly novel ways of viewing Hindi film

songs their key role in Hindi cinema and how this affects their wider life in India and across the globe It will be indispensable to scholars seeking to understand both Hindi film songs and Hindi cinema It also forms a major contribution to popular music popular culture film music studies and ethnomusicology tackling pertinent issues of cultural production multi media and the cross cultural use of music in Hindi cinema The book caters for both music specialists as well as a wider audience **Der Freischütz. (The Freeshooter.) Romantic Opera in Three Acts ... Edited ... by N. Macfarren. [Vocal Score.]** Carl Maria von Weber, 1872 **Playhouse music series for piano**, 1915 *Music Supervisors' Journal*, 1924 *The Edison Kinetogram*, 1912 **Theaters of Desire: Authors, Readers, and the Reproduction of Early Chinese Song-Drama, 1300-2000** P. Sieber, 2003-07-17 Blending a flair for textual nuance with theoretical engagement Theaters of Desire not only contributes to our understanding of the most influential form of early Chinese song drama in local and international cultural contexts but adds a Chinese perspective to the scholarship on print culture authorship and the regulatory discourses of desire The book argues that particularly between 1550 and 1680 Chinese elite editors rewrote and printed early plays and songs so called Yuan dynasty zaju and sanqu to imagine and embody new concepts of authorship readership and desire an interpretation that contrasts starkly with the national and racially oriented reception of song drama developed by European critics after 1735 and subsequently modified by Japanese and Chinese critics after 1897 By analyzing the critical and material facets of the early song and play tradition across different historical periods and cultural settings Theaters of Desire presents a compelling case study of literary canon formation
