

Directions: As you read each scene in *Romeo and Juliet*, you will complete four entries in the Double Entry Journal. Each entry must have a quotation written in the left column (it should be more than one line) and your response in the right column. Your response MUST include the following:

First, identify the speaker.

Second, explain the context or situation taking place (where, when, on time of day, or what is going on, etc.).

Third, explain what the quotation means and how it is significant to the plot (position, rising action, etc.) of the play.

Fourth, note any literary devices (similes, metaphors, symbolism, hyperbole, personification, allusion, etc.).

In my example, you will note weak and strong responses. Make sure to utilize your Best English practices, spelling, and vocabulary, and analyze the quotations deeply (not just restating what you think it says). Remember to comment on the significance of the quote in relation to other literary elements or events in the play.

QUOTATION	RESPONSE
Sample: from the Prologue From forth the fatal loins of these two foes A pair of star-crossed lovers take their life; Whose misadventured piteous overthrows Do with their death bury their parents' strife. (1-5)	Speaker: Chorus Situation: would Romeo and Juliet die. Situation: strong! Through the prologue has no definitive time and place, the reader knows that in Shakespeare's day the audience would not have any knowledge as to what the play was about. The prologue serves as a modern day movie trailer. In it, we learn that as a result of the parents' being enemies, the two lovers MUST commit suicide to be with one another even in death. Their deaths will end the feud between the families. Significance: would Killing yourself is bad and selfish and people will be upset. Significance: strong! Romeo and Juliet probably had no choice but to take their lives. Committing suicide is a bold statement and by doing so, the lovers forced the families to reflect on how silly and useless it is to hold a grudge. Literary Devices: would There's a comparison with a pair of star crossed lovers. Literary Devices: strong! Shakespeare uses symbolism when he states how "A pair of star crossed lovers take their life" "Star-crossed" shows how Romeo and Juliet's love was doomed from the start (starts before birth, the two characters' paths crossed each other, and were meant to be intertwined). This refers to fate, and that no one has control over circumstances, since Romeo and Juliet's affair ended tragically.

Teaching Romeo and Juliet Delia DeCourcy, Lyn Fairchild, Robin Follet, 2007 By using the concept of differentiated instruction the authors provide a practical easy to use guide for teaching the play that addresses a wide range of student readiness levels interests and learning styles Novice Teachers Embracing Wobble in Standardized Schools Bob Fecho, Dawan Coombs, Trevor Thomas Stewart, Todd S. Hawley, 2020-09-30 A critical resource for pre service and practicing teachers this book addresses what happens when new teachers try to enact inquiry based and dialogical pedagogy within standardized schools Exploring the narratives from beginning ELA and humanities teachers when they encounter challenges and obstructions this book explores moments of wobble key events that called attention to practice in the context of inflexible schooling systems that the teachers shared with their peers via an oral inquiry process OIP to help them unpack and understand their experiences This book advocates for the continued use and enhancement of mentoring and induction initiatives particularly those that recognize the expressed concerns of novice teachers no matter what their pedagogical stance might be By sharing novice teachers wobble stories and their outcomes this book provides a pathway for teachers continued self reflection and growth for the duration of their careers The authors offer a reflective adaptable and easy to use process that places teachers in control of their own professional learning The beliefs and structures examined in this text support the intentions of all teachers who work from a learning centered perspective and wish to take some ownership of their professional development **Shakespeare and the Classical Tradition** Lewis Walker, 2019-05-24 This bibliography will give comprehensive coverage to published commentary in English on Shakespeare and the Classical Tradition during the period from 1961 1985 Doctoral dissertations will also be included Each entry will provide a clear and detailed summary of an item s contents For pomes and plays based directly on classical sources like Antony and Cleopatra and The Rape of Lucrece virtually all significant scholarly work during the period covered will be annotated For other works such as Hamlet any scholarship that deals with classical connotations will be annotated Any other bibliographies used in the compiling of this volume will be described with emphasis on their value to a student of Shakespeare and the Classics *Revisiting the Concept of Defence in the Jus ad Bellum* Johanna Friman, 2017-04-06 The purpose of the jus ad bellum is to draw a line in the sand thus far but no further In the light of modern warfare a state should today have an explicitly recognised and undisputed right of delimited unilateral defence not only in response to an occurring armed attack but also in interception of an inevitable or imminent armed attack This book however makes it evident that unilateral interception is not incontestably compatible with the modern right of self defence in Article 51 of the UN Charter Then again unilateral defence need not forever be confined to self defence only wherefore the book proposes that the concept of defence may best be modernised by a clear legal division into responsive and interceptive defence Since both threat and use of force are explicitly prohibited in Article 2 4 of the UN Charter this book further recommends that both responsive and interceptive defence should be

explicitly excepted from this prohibition in Article 51 of the UN Charter The modern jus ad bellum should thus legally recognise a dual face of defence responsive self defence if an armed attack occurs and interceptive necessity defence if a grave and urgent threat of an armed attack occurs For without a clarifying and modernising revision the concept of defence will become irreparably blurred until it is completely dissolved into the ever shifting sands of war **The Annotated Huckleberry Finn** Mark Twain,1981 Mark Twain s classic novel about the experiences of a boy who runs away from home with a fugitive slave is supplemented by extensive literary and historical commentary *Library Journal* Melvil Dewey,Richard Rogers Bowker,L.
