

SCOTLAND'S EMPIRE

1600–1815

AUTHOR OF THE SCOTTISH NATION

T. M. DEVINE

Scotlands Empire 1600 1815

Tanya Fitzgerald

Scotlands Empire 1600 1815:

Scotland's Empire, 1600-1815 Thomas Martin Devine, 2004 The Scots had an enormous impact on the global development of the British Empire as emigrants soldiers merchants and colonial administrators This book explores in depth many key themes including the slave trade the Scots on the colonial frontier Highland soldiers and more *Scotland's Empire* Thomas Martin Devine, 2012 This book tells the story of Scotland's role in forging and expanding the British Empire from the Americas to Australia India to the Caribbean By 1820 Britain controlled a fifth of the world's population and no people had made a more essential contribution than the Scots working across the globe as soldiers and merchants administrators and clerics doctors and teachers Devine traces the vital part Scotland played in creating an empire and the fundamental effect this had in moulding the modern Scottish nation Back cover *Scotland's Empire and the Shaping of the Americas, 1600-1815* Thomas Martin Devine, 2004 Scotland's influence was crucial for the worldwide success of Britain's overseas empire As emigrants soldiers tobacco lords merchants and colonial administrators Scots were involved in nearly every aspect of running and financing Britain's colonies in America Australia and India T M Devine Scotland's leading historian draws on a wealth of new material to provide a comprehensive examination of Scotland's multifaceted role in colonization He deftly portrays the key contributions by Scots to the development of the Americas from political ideas to business In the first of a two volume set Scotland's Empire combines detailed scholarship with a compelling narrative history setting the Scots story against the rise of the British Empire the course of American history and the changes in world history **Scotland and the British Empire** John M. MacKenzie, T. M. Devine, 2017-02-24 The extraordinary influence of Scots in the British Empire has long been recognized As administrators settlers temporary residents professionals plantation owners and as military personnel they were strikingly prominent in North America the Caribbean Australasia South Africa India and colonies in South East Asia and Africa Throughout these regions they brought to bear distinctive Scottish experience as well as particular educational economic cultural and religious influences Moreover the relationship between Scots and the British Empire had a profound effect upon many aspects of Scottish society This volume of essays written by notable scholars in the field examines the key roles of Scots in central aspects of the Atlantic and imperial economies from the eighteenth to the twentieth centuries in East India Company rule in India migration and the preservation of ethnic identities the environment the army missionary and other religious activities the dispersal of intellectual endeavours and in the production of a distinctive literature rooted in colonial experience Making use of recent innovative research the chapters demonstrate that an understanding of the profoundly interactive relationship between Scotland and the British Empire is vital both for the understanding of the histories of that country and of many territories of the British Empire All scholars and general readers interested in the dispersal of intellectual ideas key professions Protestantism environmental practices and colonial literature as well as more traditional approaches to politics economics and military recruitment will find it an essential addition to the

historical literature **Recovering Scotland's Slavery Past** Tom M. Devine, 2015-09-17 The first ever book length attempt to strip away the myths and write the real history of Scotland's slavery past Written to appeal to a wide audience it contains many original surprising and uncomfortable conclusions **Scots and the Union** Christopher A Whatley, 2014-04-14 This book traces the background to the Treaty of Union of 1707 explains why it happened and assesses its impact on Scottish society including the bitter struggle with the Jacobites for acceptance of the union in the two decades that followed its inauguration *Children and Youth in Premodern Scotland* Janay Nugent, Elizabeth Ewan, 2015 Essays exploring childhood and youth in Scotland before the nineteenth century **Transactions of the Royal Historical Society: Volume 16** Ian W. Archer, 2007-03-12 The Transactions of the Royal Historical Society publish an annual collection of major articles representing some of the best historical research by some of the world's most distinguished historians The volume includes the following articles Potential Address Britain and Globalisation since 1850 I Creating a Global Order 1850 1914 Land Freedom and the Making of the Medieval West The Origins of the English Hospital The Alexander Prize Essay Trust and Distrust A Suitable Theme for Historians Witchcraft and the Western Imagination Africa and the Birth of the Modern World The Break Up of Britain Scotland and the End of the Empire The Prothero Lecture Report of Council for 2005 2006

Scotland and the Union 1707-2007 Tom M. Devine, 2008-05-12 Written by the cream of academic talent in modern Scottish history and politics this book provides a comprehensive examination of the past present and future prospects of the Anglo Scottish Union A scholarly but accessible read its contributors do not shy away from the controversies surrounding the Union Their cutting edge research is presented in a lucid style serving as an excellent introduction to some key aspects of the Anglo Scottish relationship between 1707 and 2007 Scotland and the Union 1707 2007 covers all the key themes Why the Union took place A growing acceptance of the Union in the 18th century The impact of Scots central role in the British Empire The politics of unionism The challenge of nationalism Thatcherism and the Union Devolution and prospects for the future No other volume considers the entire 300 year experience of union from its origins in the early 18th century to the historic parliamentary victory of the SNP in May 2007 This is the essential text for unders Conflict, Commerce and Franco-Scottish Relations, 1560-1713 Siobhan Talbott, 2015-10-06 Using untapped archival sources from Britain France and America Talbott presents a comparative view of British relations with France over the long seventeenth century The Scots in South Africa John M. MacKenzie, 2013-07-19 The description of South Africa as a rainbow nation has always been taken to embrace the black brown and white peoples who constitute its population But each of these groups can be subdivided and in the white case the Scots have made one of the most distinctive contributions to the country's history Now available in paperback this book is a full length study of their role from the eighteenth to twentieth centuries It highlights the interaction of Scots with African peoples the manner in which missions and schools were credited with producing Black Scotsmen and the ways in which they pursued many distinctive policies It also deals with the interweaving of issues of

gender class and race as well as with the means by which Scots clung to their ethnicity through founding various social and cultural societies This book offers a major contribution to both Scottish and South African history and in the process illuminates a significant field of the Scottish Diaspora that has so far received little attention *The Scottish Nation at Empire's End* B. Glass,2014-06-02 The rise and fall of the British Empire profoundly shaped the history of modern Scotland and the identity of its people From the Act of Union in 1707 to the dramatic fall of the British Empire following the Second World War Scotland's involvement in commerce missionary activity cultural dissemination emigration and political action could not be dissociated from British overseas endeavours In fact Scottish national pride and identity were closely associated with the benefits bestowed on this small nation through its access to the British Empire By examining the opinions of Scots towards the empire from numerous professional and personal backgrounds Scotland emerges as a nation inextricably linked to the British Empire Whether Scots categorized themselves as proponents opponents or victims of empire one conclusion is clear they maintained an abiding interest in the empire even as it rapidly disintegrated during the twenty year period following the Second World War In turn the end of the British Empire coincided with the rise of Scottish nationalism and calls for Scotland to extricate itself from the Union Decolonization had a major impact on Scottish political consciousness in the years that followed 1965 and the implications for the sustainability of the British state are still unfolding today

Geopolitics and Identity in British Foreign Policy Discourse Nick Whittaker,2023-07-27 This is the first book to examine Britain's geopolitical identity and how it is expressed in foreign policy discourse It demonstrates how British imperial thought related to its island status has remained important for British Members of Parliament in their debates of contemporary issues It presents an exciting and provocative new reading of modern British foreign policy that decentres traditional notions of rationalism and pragmatism by foregrounding the much neglected aspects of identity and geopolitical space As British foreign policy makers wrestle with how to define Britishness outside of the EU this analysis provides a fresh perspective It presents a much needed historical contextualisation of long standing concepts such as insularity from Europe and a universal aspect on world affairs This book will be highly relevant for students researchers and professionals that are seeking to understand British foreign policy It will be of interest to those researching and working within geopolitics identity sociology foreign policy analysis and international relations *Military History of Scotland* Spiers Edward M.

Spiers,2014-07-11 The Scottish soldier has been at war for over 2000 years Until now no reference work has attempted to examine this vast heritage of warfare A *Military History of Scotland* offers readers an unparalleled insight into the evolution of the Scottish military tradition This wide ranging and extensively illustrated volume traces the military history of Scotland from pre history to the recent conflict in Afghanistan Edited by three leading military historians and featuring contributions from thirty scholars it explores the role of warfare in the emergence of a Scottish kingdom the forging of a Scottish British military identity and the participation of Scots in Britain's imperial and world wars Eschewing a narrow definition of military

history it investigates the cultural and physical dimensions of Scotland's military past such as Scottish military dress and music the role of the Scottish soldier in art and literature Scotland's fortifications and battlefield archaeology and Scotland's military memorials and museum collections **Handbook of Historical Studies in Education** Tanya

Fitzgerald,2020-04-03 This book offers an in depth historiographical and comparative analysis of prominent theoretical and methodological debates in the field Across each of the sections contributors will draw on specific case studies to illustrate the origins debates and tensions in the field and overview new trends directions and developments Each section includes an introduction that provides an overview of the theme and the overall emphasis within the section In addition each section has a concluding chapter that offers a critical and comparative analysis of the national case studies presented As a Handbook the emphasis is on deeper consideration of key issues rather than a more superficial and broader sweep The book offers researchers postgraduate and higher degree students as well as those teaching in this field a definitive text that identifies and debates key historiographical and methodological issues The intent is to encourage comparative historiographical perspectives of the nominated issues that overview the main theoretical and methodological debates and to propose new directions for the field **Scotland and the Caribbean, c.1740-1833** Michael Morris,2015-03-12 This book participates in

the modern recovery of the memory of the long forgotten relationship between Scotland and the Caribbean Drawing on theoretical paradigms of world literature and transnationalism it argues that Caribbean slavery profoundly shaped Scotland's economic social and cultural development and draws out the implications for current debates on Scotland's national narratives of identity Eighteenth to nineteenth century Scottish writers are re examined in this new light Morris explores the ways that discourses of improvement in both Scotland and the Caribbean are mediated by the modes of pastoral and georgic which struggle to explain and contain the labour conditions of agricultural labourers both free and enslaved The ambivalent relationship of Scottish writers including Robert Burns to questions around abolition allows fresh perspectives on the era Furthermore Morris considers the origins of a hybrid Scottish Creole identity through two nineteenth century figures Robert Wedderburn and Mary Seacole The final chapter moves forward to consider the implications for post devolution post referendum Scotland Underpinning this investigation is the conviction that collective memory is a key feature which shapes behaviour and beliefs in the present the recovery of the memory of slavery is performed here in the interests of social justice in the present **Literature of Scotland** Roderick Watson,2006-11-24 Critics hailed the first edition of The Literature of

Scotland as one of the most comprehensive and fascinatingly readable accounts of Scottish literature in all three of the country's languages Gaelic Scots and English In this extensively revised and expanded new edition Roderick Watson traces the lives and works of Scottish writers in a beautiful and rugged country that has been divided by political and religious conflict but united too by a democratic and egalitarian ideal of nationhood The Literature of Scotland The Twentieth Century provides a comprehensive account of the richest ever period in Scottish literary history From The House with the Green

Shutters to Trainspotting and far beyond this companion volume to *The Literature of Scotland The Middle Ages to the Nineteenth Century* gives a critical and historical context to the upsurge of writing in the languages of Scotland Roderick Watson covers a wide range of modern and contemporary Scottish authors including MacDiarmid MacLean Grassie Gibbon Gunn Robert Garioch Iain Crichton Smith Alasdair Gray Edwin Morgan James Kelman Irvine Welsh Alan Warner A L Kennedy Liz Lochhead John Burnside Jackie Kay Kathleen Jamie and many many more Also featuring an extended list of Further Reading and a helpful chronological timeline this is an indispensable introduction to the great variety of Scottish writing which has emerged since the start of the twentieth century

Driv'n by Fortune Sam Allison, 2015-11-07 A provocative account of the 78th Fraser's Highlanders and its crucial place in history The remarkable story of the men of the 78th Fraser's Highlanders moves from the 1745 Jacobite Rebellion in Scotland through the Seven Years War and the American Revolution to the War of 1812 Simon Fraser chief of the Clan Fraser of Lovat raised the 78th Highlanders a regiment that played a major role in defeating the French on the Plains of Abraham *Driv'n by Fortune* tackles the myths embedded in nationalistic history and in fictional accounts of these Highland soldier settlers who brought the Scottish Enlightenment to North America The impact of the 78th Fraser's Highlanders which extended far beyond Scotland and the Canada of their times is finally being told

Scots and Catalans J. H. Elliott, 2018-08-02 A landmark account that reveals the long history behind the current Catalan and Scottish independence movements A distinguished historian of Spain and Europe provides an enlightening account of the development of nationalist and separatist movements in contemporary Catalonia and Scotland This first sustained comparative study uncovers the similarities and the contrasts between the Scottish and Catalan experiences across a five hundred year period beginning with the royal marriages that brought about union with their more powerful neighbors England and Castile respectively and following the story through the centuries from the end of the Middle Ages until today's dramatic events J H Elliott examines the political economic social cultural and emotional factors that divide Scots and Catalans from the larger nations to which their fortunes were joined He offers new insights into the highly topical subject of the character and development of European nationalism the nature of separatism and the sense of grievance underlying the secessionist aspirations that led to the Scottish referendum of 2014 the illegal Catalan referendum of October 2017 and the resulting proclamation of an independent Catalan republic

Scotland Rising Gerry Hassan, 2022-09-20 The Scottish independence question is one of the pivotal questions facing British politics and the future of the United Kingdom It is also one of the most contentious and misunderstood In *Scotland Rising* Gerry Hassan addresses the fundamental questions covering the Scottish independence debate so that people can better understand the case for independence and the nuances contours and implications for the whole United Kingdom Looking beyond the merits and shortcomings of the SNP and the Conservative government in Westminster Hassan tackles the larger driving dynamics of the Scottish Question a growing desire amongst many Scots for an explicit discussion about society public policy choices and

wider values Addressing the constitutional framework and questions about the role of government and democracy the nature of the British state society and capitalism Scotland Rising makes an urgent and intelligent contribution to one of the defining political questions of our time

Unveiling the Power of Verbal Art: An Mental Sojourn through **Scotlands Empire 1600 1815**

In a world inundated with displays and the cacophony of immediate interaction, the profound energy and mental resonance of verbal beauty often disappear in to obscurity, eclipsed by the continuous assault of noise and distractions.
