Corporate Property Management Victoria Edwards, Louise Ellison, 2009-02-12 Corporate property is routinely identified as the second biggest cost within a business organization after staff Effective management of such a major asset requires a fundamental understanding of both the operation of the property markets and the operational requirements of the business occupier This primer on strategic property management focuses on how property held as a corporate asset can be used to add value to the primary business activity of an organization Rather than separate the needs of the business from the management of the business estate the aim of Corporate Property Management is to enable the reader to directly support the primary business function through strategic management of corporate property thereby adding value to the business as a whole The book introduces a generic framework designed to assist in the analysis of any corporate property portfolio working as a practical aid to decision making The book is structured around this framework providing a detailed review of its application and uses This is then developed further through extensive use of five in depth case studies that covers a wide variety of property types and property users Borders bookshops Cancer Research high street shops The Youth Hostel Association Clifford Chance s move to Canary Wharf and the Ardtornish Rural Estate in Scotland [The Making of Donald Trump](#) David Cay Johnston, 2016-08-02 THE NEW YORK TIMES BESTSELLER that first revealed the Russia connection The

culmination of nearly 30 years of reporting on Donald Trump this in depth report by Pulitzer Prize winning investigative reporter David Cay Johnston takes a revealingly close look at the mogul's rise to prominence and now ultimate power. Covering the long arc of Trump's career Johnston tells the full story of how a boy from a quiet section of Queens NY would become an entirely new and complex breed of public figure. Trump is a man of great media savvy entrepreneurial spirit and political clout. Yet his career has been plagued by legal troubles and mounting controversy. From the origins of his family's fortune to his own too big to fail business empire from his education and early career to his whirlwind and ultimately successful presidential bid *The Making of Donald Trump* provides the fullest picture yet of Trump's extraordinary ascendancy. Love him or hate him Trump's massive influence is undeniable and figures as diverse as Woody Guthrie who wrote a scathing song about Trump's father and Red Scare prosecutor Roy Cohn mob bosses and high rollers as well as the average American voter have all been pulled into his orbit. Drawing on decades of interviews financial records court documents and public statements David Cay Johnston who has covered Trump longer and more closely than any other journalist working today gives us the most in depth look yet at the man who has shocked the world. Provides useful vigorously reported overviews of Mr Trump's life and career. Mr Johnston who has followed the real estate impresario for nearly three decades offers a searing indictment of his business practices and creative accounting. Michiko Kakutani *The New York Times*. David Cay Johnston has given us this year's must read Trump book. Lawrence O'Donnell *MSNBC's The Last Word*. Johnston devastatingly covers ground he broke open as a reporter on the Trump beat in Philadelphia and at *The New York Times*. The best of investigative reporting is brought to bear on a man who could potentially lead the free world. *USA Today*. Carefully fleshes out the details of Trump's known biography with solid documentation. *Tampa Bay Times*. *What Happened to Simple?*, *Real Estate Due Diligence* Mary Ann Hallenborg, 2015-12-22 *Real Estate Due Diligence* is the first textbook on due diligence the cornerstone of every successful real estate deal.
