Selected Letters of Norman Mailer Norman Mailer, 2014-12-02 A genuine literary event an illuminating collection of correspondence from one of the most acclaimed American writers of all time Over the course of a nearly sixty year career Norman Mailer wrote more than 30 novels essay collections and nonfiction books Yet nowhere was he more prolific or more exposed than in his letters All told Mailer crafted more than 45 000 pieces of correspondence approximately

20 million words many of them deeply personal keeping a copy of almost every one Now the best of these are published most for the first time in one remarkable volume that spans seven decades and it seems several lifetimes Together they form a stunning autobiographical portrait of one of the most original provocative and outspoken public intellectuals of the twentieth century Compiled by Mailer s authorized biographer J Michael Lennon and organized by decade Selected Letters of Norman Mailer features the most fascinating of Mailer s missives from 1940 to 2007 letters to his family and friends to fans and fellow writers including Truman Capote James Baldwin and Philip Roth to political figures from Henry Kissinger to Bill and Hillary Clinton and to such cultural icons as John Lennon Marlon Brando and even Monica Lewinsky Here is Mailer the precocious Harvard undergraduate writing home to his parents for the first time and worrying that his acceptances by literary magazines were all happening too easy Here too is Mailer the soldier confronting the violence of war in the Pacific which would become the subject of his masterly debut novel *The Naked and the Dead* I m amazed how casually it fits into daily life how very unhorrible it all is Mailer the international celebrity pledges to William Styron I m going to write every day and like *Lot s Wife* I m consigning myself to a pillar of salt if I dare to look back while the 1980s Mailer agonizes over the fallout from his ill fated friendship with Jack Henry Abbott the murderer who became his literary prot g The continuation of our relationship was depressing for both of us he confesses to Joyce Carol Oates At last he finds domestic and erotic bliss in the arms of his sixth wife Norris Church We bounce into each other like sunlight Whether he is reflecting on the Kennedy assassination assessing the merits of authors from Fitzgerald to Proust or threatening to pummel William Styron the brilliant pugnacious Norman Mailer comes alive again in these letters The myriad faces of this artist and activist lover and fighter public figure and private man are laid bare in this collection as never before Praise for Selected Letters of Norman Mailer Extraordinary Vanity Fair As massive as the life they document the autobiography Mailer never wrote a kind of map from the hills and rice paddies of the Philippines through every victory and defeat for the rest of the century and beyond Esquire The shards and winks at Mailer s own past that are scattered throughout the letters are so tantalizing They glitter throughout like unrefined jewels that Mailer took to the grave The New Yorker Indispensable a subtle document of an unsubtle man s wit and erudition even or especially when it s wielded as a weapon New York Umpteen pleasures to pluck out and roll between your teeth like seeds from a pomegranate The New York Times

The Cinema of Norman Mailer Justin Bozung, 2017-09-07 The Cinema of Norman Mailer Film is Like Death not only examines the enfant terrible writer s thoughts on cinema but also features interviews with Norman Mailer himself The Cinema of Norman Mailer also explores Mailer s cinema through previously published and newly commissioned essays written by an array of film and literary scholars enthusiasts and those with a personal philosophical connection to Mailer This volume discusses the National Book Award and Pulitzer Prize winning author and filmmaker s six films created during the years of 1947 and 1987 and contends to show how Mailer s films can be best read as cinematic delineations that visually represent many of the writer s metaphysical and ontological concerns

and ideas that appear in his texts from the 1950s until his passing in 2007 By re examining Mailer s cinema through these new perspectives one may be awarded not just a deeper understanding of Mailer s desire to make films but also find a new alternative vision of Mailer himself Norman Mailer was not just a writer but more he was one of the most influential Postmodern artists of the twentieth century with deep roots in the cinema He allowed the cinema to not only influence his aesthetic approach but sanctioned it as his easiest crafted analogy for exploring sociological imagination in his writing Mailer once suggested Film is legitimately more interesting than books and with that in mind readers of Norman Mailer might begin to rethink his oeuvre through the viewfinder of the film medium as he was equally as passionate about working within cinema as he was about literature itself

From Benito Mussolini to Hugo Chavez Paul Hollander,2017-01-05 During the twentieth and twenty first centuries political dictators were not only popular in their own countries but were also admired by numerous highly educated and idealistic Western intellectuals The objects of this political hero worship included Benito Mussolini Adolph Hitler Joseph Stalin Mao Zedong Fidel Castro and more recently Hugo Chavez among others This book seeks to understand the sources of these misjudgements and misperceptions the specific appeals of particular dictators and the part played by their charisma or pseudo charisma It sheds new light not only on the political disposition of numerous Western intellectuals such as Martin Heidegger Eric Hobsbawm Norman Mailer Ezra Pound Susan Sontag and George Bernard Shaw but also on the personality of those political leaders who encouraged and in some instances helped to design the cult surrounding their rise to dictatorship

The Oxford History of the Novel in English Cyrus R. K. Patell,Deborah Lindsay Williams,2024-03-05 The Oxford History of the Novel in English is a twelve volume series presenting a comprehensive global and up to date history of English language prose fiction written by a large international team of scholars The series is concerned with novels as a whole not just the literary novel and each volume includes chapters on the processes of production distribution and reception and on popular fiction and the fictional sub genres as well as outlining the work of major novelists movements and tendencies This book offers an account of US fiction during a period demarcated by two traumatic moments the eve of the entry of the United States into the Second World War and the onset of the Covid 19 pandemic The aftermath of the Second World War was arguably the high point of US nationalism but in the years that followed US writers would increasingly explore the possibility that US democracy was a failure both at home and abroad For so many of the writers whose work this volume explores the idea of nation became suspect as did the idea of national literature as the foundation for US writing Looking at post 1940s writing the literary historian might well chart a movement within literary cultures away from nationalism and toward what we would call cosmopolitanism a perspective that fosters conversations between the occupants of different cultural spaces and that regards difference as an opportunity to be embraced rather than a problem to be solved During this period the novel has had significant competition for the US public s attention from other forms of narrative and media film television comic books videogames and the internet and the various

forms of social media that it spawned If however the novel becomes a residual form during this period it is by no means archaic The novel has been reinvigorated over the past eighty years by its encounters with both emergent forms such as film television comic books and digital media and the emergent voices typically associated with multiculturalism in the United States
