

Inciting

Incident, Climax

- inciting incident: when Alex only lasted 45 minutes in the isolation chamber
- climax: when Alex goes to the Red River and climbs on the guardrail of the bridge

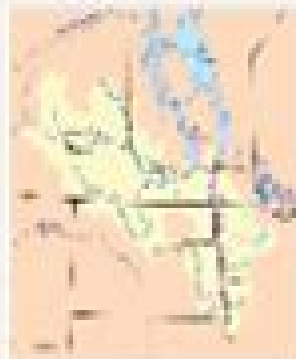

Mood

- tense
- strange
- spooky
- mysterious
- suspenseful

- "Was it possible that simply getting therapy together was responsible for keeping that car crash locked within [Alex's] mind? Or had it been a warning to watch, who could predict what was to happen next?" (p. 14, 20)

The North End Faust by Ed Kleiman

North End Faust Short Story:

A Comprehensive Bibliography of English-Canadian Short Stories, 1950-1983, 1988 This bibliography endeavors to record every short story written in English by a Canadian author and first published during the period 1950 1983 and contains 20 000 citations to stories by more than 5 300 authors Organized alphabetically by author s last name it includes references to anthology and story collection appearances by these authors thus providing a complete publishing history of each story cited Hundreds of Canadian periodicals and dozens of anthologies were searched in addition the bibliography cites appearances by Canadian stories in foreign books and periodicals

The Routledge Handbook of Black Canadian Literature Andrea A. Davis, Leslie Sanders, 2024-12-09 The Routledge Handbook of Black Canadian Literature offers a comprehensive overview of the growing and increasingly significant field of Black Canadian literary studies Including historical and contemporary analysis this volume is an essential text that maps the field over the almost 200 years of its existence across a range of genres from slave narratives to prose fiction poetry theatre and dub and spoken word It presents Black Canadian literature as encompassing a diverse set of viewpoints approaches and practices touching every aspect of Canadian territory and life and as deeply influencing debates and understandings of Black peoples far beyond its borders This Handbook employs an interdisciplinary framework that incorporates literary historical geographical and cultural analysis This book comprising 32 chapters is organized into five sections that chart the literature s development into a recognizable canon trace Black literary geographies across Canada from east to west delineate the literature s various genres and expressive forms and honor the writers and thinkers who have influenced the growth of the field This volume s range of subject and plurality of perspectives provide an excellent resource for teachers researchers and students from multiple disciplines including Canadian studies and literature Caribbean studies global Black studies hemispheric studies diaspora studies history and cultural studies

The Black Prairie Archives Karina Vernon, 2020-02-19 The Black Prairie Archives An Anthology recovers a new regional archive of black prairie literature and includes writing that ranges from work by nineteenth century black fur traders and pioneers all of it published here for the first time to contemporary writing of the twenty first century This anthology establishes a new black prairie literary tradition and transforms inherited understandings of what prairie literature looks and sounds like It collects varied and unique work by writers who were both conscious and unconscious of themselves as black writers or as prairie people Their letters recipes oral literature autobiographies rap and poetry provide vivid glimpses into the reality of their lived experiences and give meaning to them The book includes introductory notes for each writer in non specialist language and notes to assist readers in their engagement with the literature This archive and its supporting text offer new scholarly and pedagogical possibilities by expanding the nation s and the region s archives They enrich our understanding of black Canada by bringing to light the prairies black histories cultures and presences

Jump Jim Crow W. T. Lhamon, 2003-07-31 Beginning in the 1830s the white actor Thomas D Rice took to

the stage as Jim Crow and the ragged and charismatic trickster of black folklore entered and forever transformed American popular culture. Jump Jim Crow brings together for the first time the plays and songs performed in this guise and reveals how these texts code the complex use and abuse of blackness that has characterized American culture ever since Jim Crow's first appearance. Along with the prompt scripts of nine plays performed by Rice never before published as their original audiences saw them, W. T. Lhamon Jr. provides a reconstruction of their performance history and a provocative analysis of their contemporary meaning. His reading shows us how these plays built a public blackness but also how they engaged a disaffected white audience who found in Jim Crow's sass and wit and madcap dancing an expression of rebellion and resistance against the oppression and confinement suffered by ordinary people of all colors in antebellum America and early Victorian England. Upstaging conventional stories and forms, giving direction and expression to the unruly attitudes of a burgeoning underclass, the plays in this anthology enact a vital force still felt in great fictions, movies, and musics of the Atlantic and in the jumping, speedy styles that join all these forms. World Authors 1990-1995 Clifford Thompson, 1999. Representing a broad range of ethnic diversity, these in-depth profiles present fascinating accounts of lives and careers, the circumstances under which works were produced, and their literary significance. Each profile also includes critical evaluation, a list of the author's principal works with date first published, a list of major critical works, and a portrait or photograph where available. **Demorest's Monthly Magazine**, 1879. Catalogue of Books in the South End Branch Library of the Boston Public Library Boston Public Library, South End Branch, 1883. *Eton -- how it Works* James Douglas Rutherford McConnell, 1967. **The Critic** Jeannette Leonard Gilder, Joseph Benson Gilder, 1894. The Independent, 1878. The Quarterly Review, 1878. **The Cambridge Guide to Literature in English** Dominic Head, 2006-01-26. This illustrated and fully updated Third Edition of *The Cambridge Guide to Literature in English* is the most authoritative and international survey of world literature in English available. The Guide covers everything from Old English to contemporary writing from all over the English-speaking world. There are entries on writers from Britain and Ireland, the USA, Canada, India, Africa, South Africa, New Zealand, the South Pacific, and Australia, as well as on many important poems, novels, literary journals, and plays. This new edition has been brought completely up to date with more than 280 new author entries, most of them for living authors. The general reader will find it fascinating to browse and to discover many new writers and works, while students will find it an invaluable resource for daily use. This is a unique work of reference for the twenty-first century that no reader or library should be without. The London Quarterly Review, 1878. **Worth a Dozen Men** Liba R. Hilde, 2012-03-29. In antebellum society, women were regarded as ideal nurses because of their sympathetic natures. However, they were expected to exercise their talents only in the home; nursing strange men in hospitals was considered inappropriate if not indecent. Nevertheless, in defiance of tradition, Confederate women set up hospitals early in the Civil War and organized volunteers to care for the increasing number of sick and wounded soldiers. As a fledgling government engaged in a long and bloody war, the

Confederacy relied on this female labor which prompted a new understanding of women's place in public life and a shift in gender roles. Challenging the assumption that Southern women's contributions to the war effort were less systematic and organized than those of Union women, *Worth a Dozen Men* looks at the Civil War as a watershed moment for Southern women. Female nurses in the South played a critical role in raising army and civilian morale and reducing mortality rates, thus allowing the South to continue fighting. They embodied a new model of heroic energy and nationalism and came to be seen as the female equivalent of soldiers. Moreover, nursing provided them with a foundation for pro-Confederate political activity both during and after the war when gender roles and race relations underwent dramatic changes. *Worth a Dozen Men* chronicles the Southern wartime nursing experience, tracking the course of the conflict from the initial burst of Confederate nationalism to the shock and sorrow of losing the war. Through newspapers and official records as well as letters, diaries, and memoirs, not only those of the remarkable and dedicated women who participated but also of the doctors with whom they served their soldier patients and the patients' families, a comprehensive picture of what it was like to be a nurse in the South during the Civil War emerges. *Critic and Good Literature*, 1892 *The Publishers Weekly*, 1880 *The Critic*, 1892

The Musical Leader, 1925 **The Riverside Dictionary of Biography** American Heritage Dictionary, 2005 Publisher Description **Critic and Literary World** Jeannette Leonard Gilder, Joseph Benson Gilder, 1892
