Perfect Blend A Novel:

A Novel Proposal Denise Hunter, 2023-03-21 When western novelist Sadie Goodwin must pen a romance novel to rescue her lackluster sales there's only one tiny problem she's never been in love. Desperate to salvage her career Sadie accepts an invitation to hole up at her friend's beach duplex for the summer and devote herself to this confounding genre. After all, where better to witness love than on the beautiful South Carolina shore. But Sadie soon finds many ways to procrastinate the dreaded task like getting to know the beach regulars and installing a Little Free Library on the property. She even attempts conversation with Sam Ford, the frustratingly stubborn neighbor on the other side of the duplex. But things take an unexpected turn when Sadie finds inside her library an abandoned novel with a secret compartment and a beautiful engagement ring tucked inside. Suddenly locating the ring's owner becomes the perfect way to put off writing that romance. Sadie draws a reluctant Sam into her mission. And as the two close in on an answer to the mysterious proposal she discovers a tender side to him. She begins to wonder if he just might make the perfect hero for her romance novel or maybe even her heart. From the bestselling author of *The Convenient Groom* now a beloved Hallmark Original movie comes a sweet and sizzling story of a romance writer surprised by her own happily ever after. Sweet and thoughtful contemporary read. Stand alone novel. Book length 80,000 words. Includes discussion questions for book clubs.

The Watchers (Covert Missions Book #1) Mark Andrew Olsen, 2008-04-01 Just below the surface among the family of God lives another family tree, one traced in spirit, invisible and ageless, known as the Watchers. For two thousand years they've seen beyond the veil separating this world from the next, passing on their gift through a lineage mostly overlooked. Throughout history they've scouted the borders of the supernatural frontier, but now their survival hangs by a thread. And their fate lies in the hands of a young woman, her would-be killer, and a mystery they must solve. Congratulations! You just reached my own little corner of cyberspace. Who am I, Abby Sherman, that's who. Who are you? And why are you checking me out? Drop me a few pixels and let's find out. With that innocent invitation Abby Sherman unwittingly steps in the crosshairs of history and thus begins her harrowing tale, taking her from ocean front Malibu to the streets of London, the jungles in West Africa, the Temple Mount, Jerusalem, and to the very gates of heaven itself. A sneak preview of eternity becomes her one-way ticket to danger and discovery. Two lives collide in a globe-circling adventure involving both peril and discovery. Abby, a young woman whose visions of heaven turn her into a Web celebrity, and Dylan, a troubled young man sent by an ancient foe to silence her. From California beachfronts to Nigerian rain forests to Jerusalem and back again, *The Watchers* is high octane blends of action, mystery, and spiritual battle spanning centuries. A woman's awe-inspiring vision launches her on a quest through distant lands and ancient history, face to face with eternity and into the arms of a family line on the brink of annihilation. A man who is hired to exterminate her discovers the folly of blind loyalty, then learns how to wage war in a realm he never believed had existed. An extraordinary saga of the unseen war against evil, the reality of the supernatural, and the transforming power of
