FN interventioner i Irak Somalia og Bosnien hvor m let var at skabe international orden Den Nye Verdensorden under indtryk af fredelig intervention og humanit r bistand *We Have Never Been Postmodern* Steve Redhead,2011-06-29 Is it possible that various disciplines theorists and cultural commentators have been hurtling down a blind alley in the last thirty years searching for the holy grail of the postmodern What if after all we have never have been postmodern Or what if we are instead now living after postmodernity As global culture rushes off the cliff of catastrophe with its neo liberal neo conservative ideologies mangled in the process this book provides theory at the speed of light designed to capture the fast flickering images of the real gone before you can blink in today s accelerated culture Cultures of Exile Wendy Everett,Peter Wagstaff,2004-04-01 Exile is the dominant theme of our times It can be found in the forced migration of populations but also in the temporal cultural and physical alienation of the individual s experiences of the postmodern world This is a world of unstable shifting identities dominated and perhaps most acutely expressed by the fluidity of the visual image The essays in this volume examine issues such as remembering and forgetting trauma and nostalgia time and space social and sexual exclusion in relation to visual media and new technologies cinema and the visual arts The multi faceted and interdisciplinary exploration of exile and displacement whether geographical temporal corporeal or performative provides an important analysis of a significant and fascinating aspect of contemporary culture *Killing Orders* Taner Akçam,2018-01-23 The book represents an earthquake in genocide studies particularly in the field of Armenian Genocide research A unique feature of the Armenian Genocide has been the long standing efforts of successive Turkish governments to deny its historicity and to hide the documentary evidencesurrounding it This book provides a major clarification of the often blurred lines between facts and truth in regard to these events The authenticity of the killing orders signed by Ottoman Interior Minister Talat Pasha and the memoirs of the Ottoman bureaucrat Naim Efendi have been two of the most contested topics in this regard The denialist school has long argued that these documents and memoirs were all forgeries produced by Armenians to further their claims Taner Ak am provides the evidence to refute the basis of these claims and demonstrates clearly why the documents can be trusted as authentic revealing the genocidal intent of the Ottoman Turkish government towards its Armenian population As such this work removes a cornerstone from the denialist edifice and further establishes the historicity of the Armenian Genocide Wake Me Up at Nine in the Morning A Yi,2022-08-04 A thrilling journey through China s dark criminal underworld from a celebrated voice in Chinese literature When Hongyang is found dead after a night of debauched drinking it looks as if his reign of terror has finally come to an end Few in this insular community have much reason to mourn his passing Hongyang is an infamous mob boss a man with plenty of enemies But now it seems that his years of crime have also earned him some very dangerous friends As his funeral draws near those who knew him come together to look back on a life characterised by corruption deceit and a flair for violence Their recollections will keep Hongyang s legacy alive with terrifying consequences From the master of Chinese noir fiction comes this explosive new novel about the power of
