Performing Indigeneity Global Histories And Contemporary Experiences:

Performing Indigeneity Laura R. Graham,H. Glenn Penny,2014-12-01 This engaging collection of essays discusses the complexities of being indigenous in public spaces Laura R Graham and H Glenn Penny bring together a set of highly recognized junior and senior scholars including indigenous scholars from a variety of fields to provoke critical thinking about the many ways in which individuals and social groups construct and display unique identities around the world The case studies in Performing Indigeneity underscore the social historical and immediate contextual factors at play when indigenous people make decisions about when how why and who can be indigenous in public spaces Performing Indigeneity invites readers to consider how groups and individuals think about performance and display and focuses attention on the ways that public spheres both indigenous and nonindigenous ones have received these performances The essays demonstrate that performance and display are essential to the creation and persistence of indigeneity while also presenting the conundrum that in many cases indigeneity excludes some of the voices or identities that the category purports to represent The Oxford Handbook of Dance and Politics Rebekah J. Kowal,Gerald Siegmund,Randy Martin,2017 The Oxford Handbook of Dance and Politics presents cutting edge research investigating not only how dance achieves its politics but also how notions of the political are themselves expanded when viewed from the perspective of dance Hemispheric Indigeneities Miléna Santoro,Erick D. Langer,2018-11-01 Hemispheric Indigeneities is a critical anthology that brings together indigenous and nonindigenous scholars specializing in the Andes Mesoamerica and Canada The overarching theme is the changing understanding of indigeneity from first contact to the contemporary period in three of the world s major regions of indigenous peoples Although the terms indio indig ne and indian only exist in Spanish French and English respectively because of European conquest and colonization indigenous peoples have appropriated or changed this terminology in ways that reflect their shifting self identifications and aspirations As the essays in this volume demonstrate this process constantly transformed the relation of Native peoples in the Americas to other peoples and the state This volume s presentation of various factors geographical temporal and cross cultural provide illuminating contributions to the burgeoning field of hemispheric indigenous studies Hemispheric Indigeneities explores indigenous agency and shows that what it means to be indigenous was and is mutable It also demonstrates that self identification evolves in response to the relationship between indigenous peoples and the state The contributors analyze the conceptions of what indigeneity meant means today or could come to mean tomorrow **Milestones in Dance History** Dana Tai Soon Burgess,2022-09-23 This introduction to world dance charts the diverse histories and stories of dancers and artists through ten key moments that have shaped the vast spectrum of different forms and genres that we see today Designed for weekly use in dance history courses ten chosen milestones move chronologically from the earliest indigenous rituals and the dance crazes of Eastern trade routes to the social justice performance and evolving online platforms of modern times This clear dynamic framework uses the idea of

migrations to chart the shifting currents of influence and innovation in dance from an inclusive set of perspectives that acknowledge the enduring cultural legacies on display in every dance form Milestones are a range of accessible textbooks breaking down the need to know moments in the social cultural political and artistic development of foundational subject areas

Indigenous Religion(s) Siv Ellen Kraft, Bjørn Ola Tafjord, Arkotong Longkumer, Gregory D. Alles, Greg Johnson, 2020-06-24 What counts as indigenous religion in today's world Who claims this category What are the processes through which local entities become recognisable as religious and indigenous How is all of this connected to struggles for power rights and sovereignty This book sheds light on the contemporary lives of indigenous religion's through case studies from S'p'mi Nagaland Talamanca Hawai'i and Gujarat and through a shared focus on translations performances mediation and sovereignty It builds on long term case studies and on the collaborative comparison of a long term project including shared fieldwork At the center of its concerns are translations between a globalising discourse indigenous religion in the singular and distinct local traditions indigenous religions in the plural With contributions from leading scholars in the field this book is a must read for students and researchers in indigenous religions including those in related fields such as religious studies and social anthropology

Yabar David Lipset, 2017-03-27 This book analyses the dual alienations of a coastal group rural men the Murik of Papua New Guinea David Lipset argues that Murik men engage in a Bakhtinian dialogue voicing their alienation from both their own indigenous masculinity as well as from the postcolonial modernity in which they find themselves adrift Lipset analyses young men's elusive expressions of desire in courtship narratives marijuana discourse and mobile phone use in which generational tensions play out together with their disaffection from the state He also borrows from Lacanian psychoanalysis in discussing how men's dialogue of dual alienation appears in folk theater in material substitutions most notably in the replacement of outrigger canoes by fiberglass boats as well as in rising sea levels and the looming possibility of resettlement
