Catalog of Copyright Entries, Third Series Library of Congress. Copyright Office, 1956      Enrique Granados Carol A. Hess, 1991-12-11 Enrique Granados 1867 1916 was one of the first modern Spanish composers to achieve international recognition During a 1916 visit to the United States his opera Goyescas was premiered by the Metropolitan Opera and his symphonic poem Dante by the Chicago Symphony Granados was also especially admired in Paris where he knew Saint Saëns and Debussy and Faure He had composed a remarkable body of work and was also at the height of his career as a concert pianist at his untimely death while a passenger on a torpedoed British ship The biographical study the first in English draws on primary sources in English Spanish French Catalan and other languages This material is carefully documented in the extensive annotated bibliography along with contemporaneous and recent analytical studies and other sources Granados's oeuvre presents cataloging problems due to his habit of reworking pieces long delayed publication and arbitrary opus numbers In

the Works and Performances section however every effort has been made to offer publication dates manuscript locations and information on premieres Representative arrangements of his works by other composers are also given An appendix classifies the works by scoring A selective discography is also provided and all parts of the volume are fully cross referenced and indexed Granados is placed in the context of the international artistic scene at the turn of the century and a chronology notes related events
