ECMLG2013-Proceedings For the 9th European Conference on Management Leadership and Governance Maria Th Semmelrock-Picej,Aleš Novak,2013-01-09 **Costly Love** John H. Armstrong,2018-06-30 John Armstrong knows from personal experience how easy it is to put too much emphasis on correct teaching in our experience of church and how easily we lose sight of the love on which Christ built his church when we do so In *Costly Love* Armstrong acknowledges the importance of doctrine and theological discussion in the church but he urges Christians to focus first on whether we are following Jesus new commandment to love as he loved Our actions of love will begin to bring us closer to unity with one another and with God **The Joy of Believing: The Vision and Relevance of Lumen fidei and Evangelii gaudium in Indian Context** Babu Joseph Kalathil,2015-02-01 Religion and theology became an occult science for many and belief in the values of life that religions proclaim turned to be useless and void The handing on of the faith has become a deep crisis and a problematic today and has turned to be a burning issue for the contemporary Church What is necessary in the contemporary culture is to develop a counter culture that passionately understands the love of God and sharing it passionately and joyfully with the fellow humans and the world around us We need a counter culture of sharing the truth and love which is God Pope Francis message is none other than this He exhorts for a missionary renewal in the Church and to have a new theological outlook that leads the Church to be a Church of the poor a counter culture of compassionate and tender love When it comes to India the Church a minority in number faces a lot of challenges in its practice and proclamation of faith Globalization and the new economic reforms badly affected the Indian culture which is turning to be secular as well as fundamentalist With a weak presence in many areas the Church in India is struggling to make its presence felt in the nation Here the author is making an attempt to understand the joyful sharing of the Gospel in the Indian context in the light of the first two documents of Pope Francis The author discusses the challenges and ways to face the challenges to be truthful by being in love and faith It will provide a clear understanding to live the faith relying upon God s providence and mercy and will enable the Church to work for the holistic development of humanity **Love in Action** Simon Cuff ,2019-02-28 Described as the Catholic church s best kept secret Catholic Social Teaching provides a rich body of thought and finds a particular resonance as all denominations in the church seek to engage with the needs of contemporary society Yet beyond the immediate context of the Catholic church it is all too readily ignored Resolutely aimed at those who come from traditions beyond the movement s

traditional catholic heartlands but who seek to view their ministry through the lens of generous orthodoxy Love in Action offers a deeply scriptural but accessible introduction to this vital approach to the church's ministry in the world
