Poppy Power Enjoy The Beauty Of Various Poppies Calvendo Nature:

Poppies Christopher Grey-Wilson,1993 This is the first book devoted solely to poppies amongst the most loved and cherished plants in gardens Not only are the true poppies *Papaver* covered but all the members of the poppy family This includes the horned poppies *Glaucium* the tree poppies *Dendromecon* the Californian poppies *Eschscholzia* the desert poppies *Arctomecon* the prickly poppies *Argemone* the pygmy poppies *Canbya* the plumed poppies *Macleaya* the blue poppies *Meconopsis* the long fruited poppies *Roemeria* and many more besides The author has concentrated primarily on the species and forms in cultivation together with those species striking or particularly interesting from a botanical and or horticultural point of view that are not at present in cultivation and really deserve to be introduced There are general chapters on the poppy family cultivation and classification and a key to genera Thereafter the individual genera grouped into their respective subfamilies are dealt with separately including their more specialised cultural requirements The species in each genus are dealt with in strict alphabetical order for convenience Important synonyms have been included to avoid confusion or ambiguity Botanical authorities are given for all recognised species and synonyms This work will be very welcome to committed gardeners and horticulturalists as a much needed and profusely illustrated source of practical and botanical information

Poppy Andrew Lack,2016-11-15 Few weeds have been more successful throughout history than the poppy Hated by farmers for its stubbornness the poppy has been a favorite of artists and poets due to its distinct and brilliant color and it has functioned symbolically as everything from a war memorial to an emblem of the exotic cultures of the East In this book Andrew Lack explores all the aspects of one of our most familiar flowers combining biology history and culture to paint a bright portrait of this fascinating plant Lack looks deep into the past of the poppy s ancient history before it seemed to inhabit only ditches and cornfields and examines the biology that gives it its unique coloring He analyzes the poppy s many members of this beautiful family including the opium poppy which is the source of one of the world s oldest and most ravaging narcotics He describes how the poppy came to be associated with war and remembrance and he looks at how they have been used to commemorate everything from weddings to funerals Beautifully illustrated the book will appeal to gardeners or anyone fascinated by the way plants have so powerfully figured in human culture and traditions

Poppy Facts Ocean Ecosoft,AI,2025-02-18 *Poppy Facts* explores the surprisingly rich history cultural symbolism and medicinal properties of the poppy From its poignant role as a symbol of remembrance particularly connected to World War I to its importance in pain management due to compounds like opium this flower s story intertwines with human history and scientific advancement The book delves into the science behind the poppy s vibrant colors and unique adaptations revealing insights into plant biology and genetics This comprehensive examination bridges historical narratives with contemporary botanical research offering a holistic understanding of the poppy *Poppy Facts* progresses logically starting with the poppy family s botanical characteristics then exploring its historical role medicinal applications and finally the genetic factors

influencing its diverse colors The book uniquely integrates these diverse areas making it valuable for students and general readers interested in botany history and the intersection of science and nature
