Portrait Of A Loving Father Divorce And Parental Alienation

Robert E. Emery

Portrait Of A Loving Father Divorce And Parental Alienation:

Divorced Fathers and Their Families Florence W. Kaslow, 2012-12-09 This book focuses on the experience of father s lives after a divorce and how mental health professionals can help them create a healthy transition Through the use of case examples critical issues are highlighted and discussed with supportive empirical findings and clinical insights Traditionally the marital legal sessions as well as the ultimate marriage settlement focus on the issues confronted by the ex wife and mother and on the custody and visitation plan for the children This is actually supported by law in some places This can remove the father from important qualitative issues such as what it is like to have children in two households relationships with two sets of grandparents where holidays will be spent fair rotations of responsibility and how continuing parental discord can be resolved The issues examined in this volume are relevant to a range of professionals who deal with divorcing couples from psychologists and family therapists to legal advisors and judges

A Handbook of Divorce and Custody Linda Gunsberg, Paul Hymowitz, 2013-04-15 The Handbook of Divorce and Custody brings together mental health professionals and forensic specialists dedicated to working in the legal arena with families in crisis Section I provides the individual perspectives of experienced clinicians all of whom share a psychodynamic and developmental purview and supplements their accounts with the viewpoints of a lawyer and a judge Section II examines parental psychopathology which is often at the root of family conflict and turmoil Section III deals with the nature and extent of the state s potential involvement with the family from ensuring parents rights to raise their children to identifying those circumstances that justify the termination of parental rights The remaining three sections follow the progressive issues engaged by divorcing families as they work their way through the legal system forensic evaluation post divorce legal arrangements and the emotional aftermath of divorce including indications for various types of therapeutic intervention Through the Handbook contributors pay special attention to a set of core issues that underlie and complicate the evaluations recommendations and judicial determinations that enter into the divorce custody process Specifically they focus on the inherent conflict between the family s right to privacy and the state s commitment to the best interest of children the increasingly uncertain question of what constitutes a family and who has the right to legal standing the problematic role of fathers in the lives of their children the nature of the evaluation process and the role of the forensic expert in a good enough evaluation the important differences between the role of therapist and the role of evaluator and finally the impact of divorce itself on the lives of today s children

UNDERSTANDING PARENTAL ALIENATION Karen Woodall, Nick Woodall, 2017-08-08 Understanding Parental Alienation is intended for parents who are living through a nightmare the loss of their relationship with a child which seems impossible to understand and extremely frustrating to turn around This book written by two leading experts in the field provides a balance of theoretical background and practical hands on information to guide both parents and practitioners through this devastating phenomenon The authors f many years of experience have shaped their understanding of the causes of parental

alienation the manifestations of this serious mental health condition and interventions that are likely to be helpful in the short term and the long term The book is written in a readable engaging manner interspersed with interesting case vignettes As well as introducing some new theoretical concepts such as the transition bridge and helping the reader to understand the unique dynamics of the child s rejection perhaps the most original parts of the book focus on taking action to deal with the problem and strategies for healing The authors provide practical advice on preparing for court including how to develop a chronology of events and how to prepare a written submission even down to choosing a writing style that is most likely to be read by the judge Specific guidance is also provided on how to help alienated children heal through reunification

Understanding Parental Alienation is a highly valuable resource for parents and a must read book for every mental health professional social worker or legal professional working with families in divorce Be a Great Divorced Dad Kenneth N. Condrell,Linda L. Small,2015-06-23 Your marriage may have ended but your fatherhood has not How can you stay an involved caring dad in the aftermath of divorce when all kinds of obstacles appear making you insecure and uncertain of your parenting skills With advice and insight from psychologist and family therapist Kenneth N Condrell and from some of the ever growing number of other divorced dads this practical insightful handbook will help you avoid the ten most common divorced dad pitfalls adjust to family life after the custody agreement handle school homework and extracurricular activities strategize celebrations and holidays deal with a child who rejects you move on to dating and other relationships Let divorce be an opportunity for tremendous growth and great parenting *Adult Children of Parental Alienation Syndrome: Breaking the Ties That Bind* Amy J. L. Baker,2010-03-01 An examination of adults who have been manipulated by divorcing parents Parental Alienation Syndrome PAS occurs when divorcing parents use children as pawns trying to turn the child against the other parent This book examines the impact of PAS on adults and offers strategies and hope for dealing with the long term effects *The Psychotherapist As Parent Coordinator in High-Conflict Divorce* Susan Boyan,Ann Marie Termini,2013-12-16 This step by step guide provides a practical model for psychotherapists working as parent coordinators in collaboration with the courts during and after divorce proceedings With this book you will be able to help co parents develop a collaborative relationship and child focused parenting plans during or after their divorce It examines the role of parent coordination standards of practice working with personality disorder parents understanding the legal system and more The Psychotherapist As Parent Coordinator in High Conflict Divorce Strategies and Techniques contains special features such as illustrations figures descriptive plans checklists and forms you can copy for your own use To view an excerpt online find the book in our QuickSearch catalog at www.HaworthPress.com Marriage Deception Conrad Riker,101-01-01 Are you tired of being manipulated by the feminist lies about marriage and family life Discover the hidden truths behind the rise of single parent families and the devastating consequences for men women and children alike Uncover the dark roots of cultural Marxism and its sinister strategy to undermine traditional masculine values and family structures Learn how to protect

yourself from the no fault divorce racket and fight back against the misandrist ideologues pushing a nefarious agenda If you want to reclaim your masculinity and create a future where men and women can live in harmony buy this book today

Building Love Together in Blended Families Gary Chapman,Ron L Deal,2020-02-04 Create a Loving and Safe Environment for Your Blended Family Blended families face unique challenges and sadly good intentions aren't always enough With so many complex relationships involved all the normal rules for family life change even how you apply something as simple as the five love languages That's why Gary Chapman the bestselling author of The 5 Love Languages and national expert on stepfamilies Ron Deal join together in this book to teach you how the five love languages can help your blended family They'll teach you About the unique dynamics of stepfamilies How to overcome fear and trust issues in marriage How to develop healthy parenting and step parenting practices How the love languages should and should not be applied You're going to face many challenges but with the right strategies and smart work your family can be stronger and healthier together

PARENTAL ALIENATION Demosthenes Lorandos,William Bernet,S. Richard Sauber,2013-12-01 Parental Alienation The Handbook for Mental Health and Legal Professionals is the essential how to manual in this important and ever increasing area of behavioral science and law Busy mental health professionals need a reference guide to aid them in developing data sources to support their positions in reports and testimony They also need to know where to go to find the latest material on a topic Having this material within arm's reach will avoid lengthy and time consuming online research For legal professionals who must ground their arguments in well thought out motions and repeated citations to case precedent ready access to state or province specific legal citations spanning thirty five years of parental alienation cases is provided here for the first time in one place Over 1000 Bibliographic Entries 500 Cases Examined 25 Sample Motions in MS Word Format Note The eBook version contains the additional supplemental materials in PDF format only It does not contain the MS Word formatted sample motions [The International Handbook of Parental Alienation Syndrome](#) Richard A. Gardner,S. Richard Sauber,Demosthenes Lorandos,2006 The dramatic increase in the number of child custody disputes since the seventies has created an equally dramatic need for a standard reference work that examines the growing social problem of children who develop an irrational hatred for a parent as the result of divorce The International Handbook of Parental Alienation Syndrome Conceptual Clinical and Legal Considerations features clinical legal and research perspectives from 32 contributors representing eight countries building on the work of the late Dr Richard Gardner a pioneer in the theory practice diagnosis and treatment of Parental Alienation Syndrome PAS This unique book addresses the effects of PAS on parents and children discusses issues surrounding reconciliation between parent and alienated child and includes material published for the first time on incidence gender and false allegations of abuse in PAS Content highlights examines PAS and the roles of family members the criminal justice system and the need for public awareness and policymakers to respond to PAS Descriptive statistics on 84 cases are given and the factors affecting reconciliation between the child and target parent

are listed The mild moderate and severe categories of PAS are explored and the psychological consequences of PAS indoctrination for adult children of divorce and the effects of alienation on parents are researched The role of medical reports in the development of PAS sexual abuse allegations and future predictions on the fate of PAS children are many of the clinical considerations in this book The legal issues concern PAS in American law criticisms of PAS in courts of law protecting the fundamental rights of children in families family law reform International PAS abductions and the legal requirements of experts giving evidence to courts The impact and implications of PAS are immense and no other single source provides the depth and breadth of coverage of the topic than the clinical and forensic chapters in this book *Parental Alienation and Factitious Disorder by Proxy Beyond DSM-5: Interrelated Multidimensional Diagnoses* Michael R. Bütz, 2020-05-11 Using Munchausen's Syndrome by Proxy Factitious Disorder by Proxy and Parental Alienation as exemplars this book advances a new diagnostic category for addressing complex pathological phenomena that integrates individual characteristics and symptoms family as well as other system dynamics under one diagnosis The author examines why current diagnostic categories within the DSM 5 are inadequate and provides a framework for this new category Interrelated Multidimensional Diagnosis to better capture the complexity of MSBP FDBP and Parental Alienation The book begins with case studies and other examples to make the material accessible and then proposes step wise processes of examining family systems to determine if the phenomena exist to a reasonable degree of scientific certainty After new diagnostic process and criteria are provided several interventions and recommendations for treatment are offered in a novel way that attends to the core aspects of these pathologies This text will provide practitioners professionals and researchers with a unique vantage point from which to understand and treat these pathologies **Fathers' Rights Activism and Law Reform in Comparative**

Perspective Richard Collier, Sally Sheldon, 2006-10-10 The legal status responsibilities and rights of men who are fathers married or unmarried cohabiting or separated biological or social in nature is a topic with a long and well documented history Yet recent developments in a number of countries suggest a growing politicisation of the relationship between law and fatherhood In some countries an increasingly vocal visible and well organised fathers rights movement has been credited with influencing perceptions of the politics of family justice Fathers it is argued have become the new victims of family law justice systems that have swung too far in favour of mothers Armed with such claims fathers rights activists have set out to achieve a range of legal reforms most notably in the areas of child support law and contact and residence rights following separation This book presents an attempt to understand these developments Bringing together leading international commentators it provides a careful critical and comparative analysis of the work of fathers rights activists the role law has played in their campaigning their legal strategies their success or otherwise in achieving legal reform similarities and divergences with the women's movement and the relationship between fathers rights movements and the societies that frame them In addition to Collier and Sheldon contributors include Susan B Boyd University of British Columbia Canada Jocelyn

Crowley Rutgers University USA Maria Eriksson Goteborg University Sweden Keith Pringle Aalborg University Denmark Helen Rhoades Melbourne University Australia and Carol Smart Manchester University UK

Cultural Sociology of Divorce Robert E. Emery, 2013-02-21 While the formal definition of divorce may be concise and straightforward legal termination of a marital union dissolving bonds of matrimony between parties the effects are anything but particularly when children are involved The Americans for Divorce Reform estimates that 40 or possibly even 50 percent of marriages will end in divorce if current trends continue Outside the U S divorce rates have markedly increased across developed countries Divorce and its effects are a significant social factor in our culture and others It might be said that a whole divorce industry has been constructed with divorce lawyers and mediators family counselors support groups etc As King Henry VIII s divorces showed divorce has not always been easy or accepted In some countries divorce is not permitted and even in Europe countries such as Spain Italy Portugal and the Republic of Ireland legalized divorce only in the latter quarter of the 20th century This multi disciplinary encyclopedia covers curricular subjects related to divorce as examined by disciplines ranging from marriage and the family to anthropology social and legal history developmental and clinical psychology and religion all through a lens of cultural sociology Features 550 signed entries A to Z fill 3 volumes 1 500 pages in print and electronic formats offering the most detailed reference work available on issues related to divorce both in the U S and globally Cross References and Further Readings guide readers to additional resources A Chronology provides students with context via a historical perspective of divorce In the electronic version the comprehensive Index combines with Cross References and thematic Reader s Guide themes to provide convenient search and browse capabilities For state and nation entries uniform entry structure combined with an abundance of statistics facilitates comparison between and across states and nations Appendices provide further annotated sources of data and statistics
