Portugal A Companion History:

Portugal José H. Saraiva, 1997 An illustrated brief history of Portugal written for non specialist foreign readers Also included in the book is a historical gazetteer short biographies chronological tables and maps **Portugal: A Companion History** José Hermano Saraiva, 2012-07-27 Professor Saraiva's multi volume History of Portugal is a celebrated scholarly standard work Yet when he published a one volume *Historia Concisa* it proved a runaway best seller in Portugal and the television series that went with it became a chart topper His latest book produced especially for Carcanet's Aspects of Portugal series is a history of his country brief acute and illuminating written with scholarly insight and with non specialist foreign readers specifically in mind To this main text Ian Robertson author of the well known Blue Guide to Portugal has added a historical gazetteer brief biographies chronological tables maps and other elements which make this an essential Companion the sort of book that a reader in need of accurate brief and lucid reference will find useful and every visitor to Portugal will find rewarding The book is generously illustrated *A Brief History of Portugal* Jeremy Black, 2020-04-02 This is a comprehensive history of Portugal that covers the whole span from the Stone Age to today An introduction provides an understanding of geographical and climatic issues before an examination of Portugal's prehistory and classical Portugal from the Stone Age to the end of the Roman era Portugal's history from ad420 to the thirteenth century takes in the Suevi Visigoths and Moors Then a look at medieval Portugal covers the development of Christian Portugal culminating with the expulsion of the Moors with a focus on key sites A subsequent section on Spanish rule between 1580 and 1640 explains why Spain took over and why Spanish rule collapsed There is a significant focus on Portugal's global role particularly during the age of exploration or expansion in the fifteenth century to 1580 Manueline Portugal Henry the Navigator Vasco da Gama and Bel m Portugal was the first of the Atlantic empires with territory in the Azores Madeira West Africa and Brazil and it remained a major empire until the 1820s retaining an African empire until the 1970s Its empire in Asia in Malacca Macao Goa and Timor continued even longer until the 1990s Black shows how Portugal had a global impact but the world too had an impact on Portugal Baroque Portugal between 1640 and 1800 is explored through palaces in Mafra Pombal and elsewhere and the wealth of Brazil The nineteenth century brought turmoil in the form of a French invasion the Peninsular War Brazilian independence successive revolutions economic issues and the end of the monarchy Republican Portugal brought further chaos in the early years of the twentieth century then the dictatorship of Salazar and its end in the Carnation Revolution of 1974 Portugal's role in both world wars is examined also its wars in Africa From the overthrow of autocracy to a new constitution and the leadership of Soares contemporary democratic Portugal is explored including the fiscal crisis of recent years Throughout Black introduces the history and character of the country's principal regions including the Azores Madeira and the Cape Verde Islands He looks at key national sites at Portuguese food and wine and the arts with special sections devoted to port Portugal's famous tiles and the university established at Coimbra in 1290 **Traveller's History**

Portugal Ian Robertson, 2002-04-11 Well known guidebook author for the series once described as the Elizabeth David of travel writers Portugal is visited by 1 8 million tourists from the UK every year **A Brief History of Portugal** Dominic Haynes, They were outnumbered outfinanced and surrounded by empires yet Portugal rewrote the rules of history by setting sail into the unknown and creating the world s first global empire Frustrated by how little you know about Portugal s remarkable past Confused by all the shifting monarchies colonies and revolutions Want to understand how a small corner of Europe once commanded the seas from Brazil to Goa and why its empire vanished Most history books either skip Portugal altogether or bury its story in academic jargon This book changes that A Brief History of Portugal delivers the epic rise and fall of Portugal in a clear engaging and highly readable format From Roman rule to royal dynasties and from the Age of Discovery to modern democracy this is Portugal s incredible journey made simple What s inside How Portugal sparked the Age of Exploration and mapped the globe The rise of figures like Prince Henry the Navigator and Vasco da Gama Stories of gold spice slavery and sea power told with clarity and nuance The fall of the monarchy dictatorship under Salazar and the Carnation Revolution Portugal s role in global trade religion and colonization Written for curious readers no dense academic prose just great storytelling You don t have to be a historian to enjoy this book Whether you re traveling to Lisbon brushing up for school or simply love true stories of ambition and adventure A Brief History of Portugal is your gateway to understanding one of the most surprising and influential nations in history Get your copy now and discover how Portugal ruled the seas and changed the world forever *The History of Portugal* James M. Anderson, 2000-02-28 This informative concise and engagingly written work provides the most up to date history of Portugal current through 1999 and gives a full picture of the political social cultural and economic influences that shaped the history of Portugal Covering the period from Portugal s early conception as a nation through its long history with emphasis on the dramatic period of the last several decades this volume culminates with the demise of the Salazar dictatorship and the independence of its colonies Complete with a timeline for easy reference to events brief biographies of important people lists of monarchs and heads of state and a bibliographic essay it is the ideal companion for the student or interested reader In nine chapters Anderson discusses the geography of Portugal its prehistoric antecedents its formation as a nation and the events that once made it a world leader in exploration discovery and imperial power How and why the country was drawn into the orbit of its large neighbor Spain lost much of its empire and yet managed to regain its independence are examined along with the trials and tribulations encountered on its journey from monarchy to modern republic The discussion presents the factors that kept Portugal one of the poorest nations in Europe for most of its existence and the reasons that it is now leading into the 21st century closing the economic gap with wealthier nations A Brief History of Spain and Portugal 2 in 1 Dominic Haynes, Two nations Two empires One unforgettable story of ambition conquest and legacy Spain and Portugal were once tiny overlooked kingdoms at the edge of Europe But in just a few bold centuries they rose to command vast empires that stretched across the globe

shaping the modern world in the process Ever wondered how they did it Or why it all eventually unraveled A Brief History of Spain and Portugal 2 in 1 gives you the sweeping saga of two countries that turned exploration into domination and power into influence that still echoes today Whether you re prepping for travel brushing up for school or just love epic true stories this double feature gives you everything you need in a fast paced highly readable format Inside you ll discover How Spain united under Catholic monarchs expelled the Moors and ruled half the known world How Portugal led the Age of Exploration and built the first global trading empire Clear explanations of key events like the Reconquista the Inquisition and the Carnation Revolution The rise and fall of iconic figures like Ferdinand and Isabella Charles V Vasco da Gama and Salazar The cultural and political impact of their empires on Europe Africa Asia and the Americas Written for real people not academics engaging concise and easy to follow No dense jargon No confusing timelines Just gripping history told well Grab your copy of A Brief History of Spain and Portugal 2 in 1 today and discover how two small kingdoms changed the course of world history

The Portuguese and the Socio-Cultural Changes in Kerala James John,2020-03-10 The momentous interaction between Portugal and Kerala commenced with the historic voyage of Vasco da Gama in 1498 It had lasting impact on the society of Kerala The voyage with the express purpose of searching for Christians and Spices left longlasting imprint on the life of the people of Kerala Though the Portuguese did not have political dominion in Kerala the political influence they gained in Kerala precipitated a lot of socio cultural changes The intensity and degree of these changes were commensurate with the tenor of the Portuguese networking with the diverse socio cultural traits in Kerala Those sections of the Kerala society that gained a higher extent of interconnectedness with the Portuguese manifested a higher degree of socio cultural transition One of the most significant means for socio cultural change that the Portuguese employed in Kerala was ecclesiastical legislation This cultural interface between Portugal and Kerala resulted in multiple fissions and fusions in the society of Kerala This book delves deep into the multifarious interaction between the two communities and the consequent socio cultural changes that Kerala witnessed during 1498 1663 the period when Portuguese influence was at its acme Please note This title is co published with Manohar Publishers New Delhi Taylor Francis does not sell or distribute the Hardback in India Pakistan Nepal Bhutan Bangladesh and Sri Lanka

A Traveller's History of Portugal Ian Robertson,John Hoste,2011 A definitive concise history of Portugal from its earliest beginnings right up to the politics and life of the present day It was not until the twelfth century that Portugal became a country in its own right having been a Roman colony and then having suffered both Barbarian and Islamic invasions The golden age of discoveries the reign and foresight of Henry the Navigator and great seamen such as Vasco da Gama led to the founding of Portugal s empire and wealth Troubled times followed in 1755 Lisbon was virtually leveled by the Great Earthquake and the country had hardly recovered its former prosperity when it was overrun by Napoleon s troops at the start of the Peninsular War to be followed not long after by the Miguelite civil war The middle decades of the nineteenth century saw the Port Wine trade flourishing and further expansion into Africa During the

last quarter of the twentieth century ever since the bloodless revolution of 1974 overthrew the rightwing dictatorship of Salazar the country has regained its stability and now takes its rightful place in the European Community Illustrated with maps and line drawings the book has a full Historical Gazetteer cross referenced to the main text that concentrates on the historic sites in a country that has retained its individuality and thus its appeal to the individual traveler

Historical Dictionary of Portugal Douglas L. Wheeler, Walter C. Opello Jr., 2010-05-10 Portugal is a small Western European nation with a large distinctive past replete with both triumph and tragedy One of the continent's oldest nation states Portugal has frontiers that are essentially unchanged since the late 14th century The country's unique character and 850 year history as an independent state present several curious paradoxes As of 1974 when much of the remainder of the Portuguese overseas empire was decolonized Portuguese society appeared to be the most ethnically homogeneous of the two Iberian states and of much of Europe This in spite of the fact that Portuguese society had received during 2 000 years of infusions of other ethnic groups in invasions and immigration Phoenicians Greeks Celts Romans Suevi Visigoths Muslims Arab and Berber Jews Italians Flemings Burgundian French black Africans and Asians Indeed Portugal has been a crossroads despite its relative isolation in the western corner of the Iberian Peninsula between the West and North Africa Tropical Africa and Asia and America Since 1974 Portugal's society has become less homogeneous as there has been significant immigration of former subjects from her erstwhile overseas empire The third edition of Historical Dictionary of Portugal greatly expands on the second edition through a chronology an introductory essay a bibliography and hundreds of cross referenced dictionary entries on important persons places events and institutions as well as on significant political economic social and cultural aspects
