Chance, Merit, and Economic Inequality Joseph de la Torre Dwyer, 2019-09-11 This book develops a novel approach to distributive justice by building a theory based on a concept of desert As a work of applied political theory it presents a simple but powerful theoretical argument and a detailed proposal to eliminate unmerited inequality poverty and economic immobility speaking to the underlying moral principles of both progressives who already support egalitarian measures and also conservatives who have previously rejected egalitarianism on the grounds of individual freedom personal responsibility hard work or economic efficiency By using an agnostic flexible data driven approach to isolate luck and ultimately measure desert this proposal makes equal opportunity initiatives both more accurate and effective

as it adapts to a changing economy It grants to each individual the freedom to genuinely choose their place in the distribution It provides two policy variations that are perfectly economically efficient and two others that are conditionally so It straightforwardly aligns outcomes with widely shared fundamental moral intuitions Lastly it demonstrates much of the above by modeling four policy variations using 40 years of survey data from the Panel Study of Income Dynamics

When Texas Prison Scams Religion Michael G. Maness, 2023-05-22 When Texas Prison Scams Religion exposes corruption in the Texas Department of Criminal Justice especially in the abuse of religion In many ways this book is a literature review of 1 800 plus works that defends freedom of conscience in prison while exposing the unconstitutionality of the seminary program that buys faith with favor from prisoners The state veritably ordains the prisoner a Field Minister that represents the offices of the Governor TDCJ Director and wardens throughout the prison Therein TDCJ lies about neutrality in a program all about Christian missions and lies again in falsely certifying elementary Bible students as counselors Why is the director sponsoring psychopaths counseling psychopaths In fact TDCJ pays 314 million a year to UTMB for psychiatric care and receives not a single report of the care given and worse for UTMB generates no reports itself The underbelly TDCJ s executive culture of cover up is exposed TDCJ has hired the lowest qualified of the applicant pool many times in the last 25 years and regularly destroys statistics on violence TDCJ Dir Collier led the prison to model Louisiana Warden Burl Cain the most scandal ridden in penal history according to a host of published news stories for 20 years Therein Collier led TDCJ to favor the smallest segment of religious society within Evangelical Dominionism Texas has no business endorsing the truth of any religion over another We close with a proposal that utilizes the 400 000 000 hours of officer contact over ten years as a definitive influence in contrast to a commissioner that spends less than 10 minutes on each decision Maness has been lobbying Austin for 15 years to definitively access staff for his 100 000 Mothers 1% Certainty Parole Texas Constitutional Amendment which would revolutionize prison culture and save Texans millions of the dollars
