

The background of the cover is an abstract painting. It features a large, bright yellow sun or light source at the top, with rays of light extending downwards. Below the sun, there are swirling, colorful shapes in shades of green, blue, and red, which appear to form a stylized face or a landscape. The overall style is expressive and modern.

Language writing digital poetics and transitional materialities **The Work of Literary Translation** Clive Scott, 2018-06-07 Offering an original reconceptualization of literary translation Clive Scott argues against traditional approaches to the theory and practice of translation Instead he suggests that translation should attend more to the phenomenology of reading triggering creative textual thinking in the responsive reader rather than testing the hermeneutic skills of the professional translator In this new guise translation enlists the reader as an active participant in the constant re fashioning of the text's structural associative intertextual and intersensory possibilities so that our larger understanding of ecology anthropology comparative literature and aesthetics is fundamentally transformed and our sense of the expressive resources of language radically extended Literary translation thus assumes an existential value which takes us beyond the text itself to how it situates us in the world and what part it plays in the geography of human relationships **Hart Crane**

Brian M. Reed, 2006-04-02 This volume studies the relation between globalization and inequalities in emerging societies by linking Area and Global Studies aiming at a new theory of inequality beyond the nation state and beyond Eurocentrism

My Poets Maureen N. McLane, 2014-07-01 A thrillingly original exploration of a life lived under poetry's uniquely seductive spell Oh there are spirits of the air wrote Percy Bysshe Shelley In this stunningly original book Maureen N McLane channels the spirits and voices that make up the music in one poet's mind Weaving criticism and memoir My Poets explores a life reading and a life read McLane invokes in My Poets not necessarily the best poets nor the most important poets whoever these might be but those writers who in possessing her made her I am marking here what most marked me she writes Ranging from Chaucer to H D to William Carlos Williams to Louise Glück to Shelley among others McLane tracks the growth of a poet's mind as Wordsworth put it in The Prelude In a poetical prose both probing and incantatory McLane has written a radical book of experimental criticism Susan Sontag called for an erotics of interpretation this is it Part Bildung part dithyramb part exegesis My Poets extends an implicit invitation to you dear reader to consider who your my poets or my

novelists or my filmmakers or my pop stars might be Poetic Community Stephen Joyce, 2013-01-01 Poetic Community examines the relationship between poetry and community formation in the decades after the Second World War In four detailed case studies of Black Mountain College in North Carolina the Caribbean Artists Movement in London the Women's Liberation Movement at sites throughout the US and the Toronto Research Group in Canada the book documents and compares a diverse group of social models small press networks and cultural coalitions informing literary practice during the

Cold War era Drawing on a wealth of unpublished archival materials Stephen Voyle offers new and insightful comparative analysis of poets such as John Cage Charles Olson Adrienne Rich Kamau Brathwaite and bpNichol In contrast with prevailing critical tendencies that read mid century poetry in terms of expressive modes of individualism Poetic Community demonstrates that the most important literary innovations of the post war period were the results of intensive collaboration and social action opposing the Cold War s ideological enclosures The Dream Police Dennis Cooper,1995 The Dream Police collects the best poems from five of his previous books and also includes a selection of new works From his darkly erotic early verse to the more refined post punk poems to his later experimental pieces Cooper s evolving study of the distances in romantic relationships has made him a singular voice in American poetry
