Addison Moore

Rock Candy Kisses 3am 5 Addison Moore:

Rock Candy Kisses Addison Moore, 2019-05-20 From New York Times Bestselling author Addison Moore comes a hilarious coming of age story that will tug at your heartstrings long after you've read the book. Annie Edwards was born deaf but she's never let that define her. She's settling in as a freshman at Whitney Briggs University, loves her dorm, her roommate, her classes, but something feels as though it's missing. Enter Blake Daniels. He's everything Annie is not: a rocker, a player, a college dropout. CAN BE READ AS A STANDALONE. *Rock Candy Kisses 3 AM Kisses 5* Romantic Comedy. First base never felt so good. From the NEW YORK TIMES and USA TODAY bestselling author Addison Moore. *Cosmopolitan Magazine* calls Addison's books easy, frothy fun. *3 AM Kisses* The USA Today Bestseller. Her friends want to sleep with him, her brothers want to kill him, and all Annie wants is a chance to see where her heart takes her. As the lead singer of 12 Deadly Sins, Blake has had his fair share of rock candy. But Annie has taken over his body, his mind, his heart. Three things he's never lost control of before: Often first love and first heartbreak go hand in hand. Sometimes the thrill of one is worth risking the other. Original publication date February 14, 2020

Vex (Celestra Series 5) Addison Moore, 2011-11-30 From the New York Times and USA Today bestselling author Addison Moore. Seventeen-year-old Skyla Messenger finds herself lying on an altar as a sacrifice to the enemy. Being an angel of the highest Nephilim order hasn't been easy. Her first love has cast his allegiance to the Countenance, the Sectors, and the Fems see her as nothing more than a celestial pawn, and the dead girl she helped bring back to life has blackmailed her into relinquishing her boyfriend. Skyla is determined to change all that. She's decided to never trust Logan again, to turn the tables on the Sectors and the Fems, and get dirt on Chloe to blackmail her into leaving Gage alone. But when one obstacle after another gets in her way, Skyla can hardly find the strength to carry on. The only solution seems to be to sacrifice herself to the Sector in her life and put everything in order while losing everything she values most.

Secrets We Couldn't Bury (Escape to Breakers Beach 2) Addison Moore, 2015-04-29 Formerly *A Thousand Starry Nights*. Carter: For as long as I can remember, I have wanted Aspen as my wife. The day I lost her, I could hardly stand to breathe. I want her back in the worst way. I don't take losing very well. Aspen will be mine again. I need to have her. And I will. Aspen Carter is back in my life. Long ago, we flew so close to the sun we were scorched by the twisted labyrinth of our own making. And now here he is, again, front and center, as if nothing ever happened. I doubt Carter and I stand a chance. In fact, I believe we were doomed right from the start. Carter is driven to Aspen. Aspen is determined to stay away from Carter. When their hearts collide once again, their love burns brighter than *A Thousand Starry Nights*.

We Cannot Escape (Escape to Breakers Beach 3) Addison Moore, 2015-11-11 I don't do redheads, and I don't do anyone related to the Cannons Period. From the NEW YORK TIMES and USA TODAY bestselling author Addison Moore. *Cosmopolitan Magazine* calls Addison's books easy, frothy fun. Lincoln's story: When Macy O'Conner shows up in my office with those long legs and wild crimson hair, I can't look away. Usually when I use the service and ask for a girl, they know what kind of woman to send me, and Macy is on

the no fly list I crossed redheads off a long time ago and I don't plan on going down that path again But Macy isn't letting up She's eager to learn and has me pegged as her teacher No commitment No strings But now she wants more She's curious about what's lurking beneath these walls of mine She's asking questions I'm not ready to answer Macy might think she's toying with me but she's playing with fire I should never have fallen for her Now I'm willing to burn everything down around us just to get her back Macy is his worst nightmare She has one hell of a surprise Lincoln will never see it coming Formerly Fire in an Amber Sky Chemical Attraction (The Social Experiment) Addison Moore, 2018-01-12 Two strangers six weeks the social experiment says the odds are in their favor but Ember is about to upturn everything Dexter thinks he knows about love and his social experiment too Dexter Houston is a megalomaniac who believes he is in exclusive control of cupid's poisoned arrow After agreeing to partake in his disastrous social experiment on dating I'm paired for a six week hip hugging adventure with someone with the personality and charm of a field goal post No matter how hard I try to find an escape clause it looks as if I'm destined to six weeks of hard dating labor From the NEW YORK TIMES and USA TODAY bestselling author Addison Moore Cosmopolitan Magazine calls Addison's books easy frothy fun Ember Sparks is every inch the explosive firecracker that her ironic name suggests All I need is for her to cooperate and maybe fall in love with the guy she's paired with to prove that love is nothing but a farce Any combination of people can fall under the illusion known as love if given the right circumstances I don't believe in the real deal that's the stuff fairytales are made of Nope it's time and chance and a body full of hormones which trick you into believing that the four letter L word exists After being dumped by my famous ex I knew I my only option was to head back to Leland to continue with research in the psychology department It's about as entertaining as it sounds so I decided to make it so Why not debunk the heart's greatest misery If my ex believes she could find her soul mate with the roadie on her tour in less than six weeks then I'm betting everyone else on the planet can do the same in such a ridiculously short amount of time Now that I've finally sold my social experiment to cable TV I feel vindication after all of the sorrow and grief I was put through But Ember and that doorpost she's up against aren't exactly boosting ratings They aren't proving my point that given a six week pressure cooker while placed in a well manipulated environment even the hardened of hearts will fall head over heels Nope Ember isn't falling for her man In fact the more time I spend with Ember the faster it is I'm falling for her
