Rock Around The Sex:

Story/telling Bronwen Ann Levy, Ffion Murphy, 2001 Story telling is an eclectic and fascinating collection of stories and stories about stories With passion and verve some of Australia's finest writers range through vast territory exploring new directions in film and media enigmas and creativity histories of mothering narratives of indigenous and migrant experience folk country and multicultural music traditions and dilemmas of interpretation These writers appreciate the power of stories for good and ill They interrogate narratives of Australia's past and present and call for new stories for changing times We hear voices raised one moment subdued the next as if we were sitting in the Forum tent at the Woodford Festival knowing that here and just beyond in paint dance music and words stories are happening in delicious abundance **Encyclopedia of Prostitution and Sex Work** Melissa Hope Ditmore, 2006-08-30 The cliché is that prostitution is the oldest profession Isn't it time that the subject received a full reference treatment This major 2 volume set is the first to treat in an inclusive reference what is usually considered a societal failing and the underside of sexuality and economic survival The A to Z encyclopedia offers wide ranging entries related to prostitution and the sex industry past and present both worldwide mostly in the West and in the United States The topic of prostitution has high interest appeal across disciplines and the narrative entries illuminate literature art law medicine economics politics women's studies religion sociology sexuality film popular culture public health nonfiction American and world history business gender media education crime race technology performing arts family social work social mores pornography the military tourism child labor and more It is targeted to the general reader who will gain useful insight into the human race through time via its sex industry and prostitution An introduction overviews the scope of prostitution from the earliest historical records including the Bible User friendly lists that are alphabetically and topically arranged help the reader find entries of interest as does the comprehensive index A chronology proffers significant dates related to the topic Each entry is signed and has suggestions for further reading Sample entries Abolition Actresses Augustine Saint Barr Candy Bible Camp Followers Chamberlain Kahn Bill of 1918 Child Prostitution Clothing Contagious Diseases Acts of 1864 1866 and 1869 Crime Debby Doesn't Do It for Free Dickens Charles Devadasi Entrapment Fallen Woman Trope Feminism Films Cult Five Points Free Love Geisha Globalization Guidebooks Hip Hop HIV AIDS and the Prostitution Rights Movement Human Rights Incest Internet Jack the Ripper Kama Sutra League of Nations Lulu Male Stripping Mann Act Mayhew Henry Memoirs Migration and Mobility Nazi Germany Poetry Purity Movements R Religion Salvation Army Scapegoating Slang Storyville Temporary Marriage Unions Venice Window Prostitution **Sexual Reckonings** Susan Cahn, 2012-03-05 Sexual Reckonings is the fascinating tale of adolescent girls coming of age in the South during the most explosive decades for the region Focusing on the period from 1920 to 1960 Susan Cahn reveals how both the life of the South and the meaning of adolescence underwent enormous political economic and social shifts Those years witnessed the birth of a modern awareness of adolescence and female sexuality that clashed mightily with the white

supremacist and patriarchal legacies of the old South As youth staked its claim the bodies and beliefs of southern girls became the battlefield for a transformed South which was like them experiencing growing pains Cahn reveals how young women both white and black were seen as the South's greatest hope and its greatest threat Viewed as critical actors in every regional crisis from the economic recession and urban migrations of the 1920s to the racial conflicts precipitated by school desegregation in the 1950s female teenagers became the conspicuous subjects of social policy and regional imagination All the while these adolescents pursued their own desires and discovered their own meanings creating cracks in the twin pillars of the Jim Crow South racial purity and white male dominance that would soon be toppled by the student led civil rights movement Sexual Reckonings is an amazingly intimate look at a time of deep personal exploration and profound cultural change for southern girls and for the society they inhabited a powerful account of the clash between a society's fears and the daily lives and aspirations of its most prized and unpredictable population

Censoring Sex John E. Semonche, 2007-07-20

In this gracefully written accessible and entertaining volume John Semonche surveys censorship for reasons of sex from the nineteenth century up to the present He covers the various forms of American media books and periodicals pictorial art motion pictures music and dance and radio television and the Internet The tale is varied and interesting replete with a stock of colorful characters such as Anthony Comstock Mae West Theodore Dreiser Marcel Duchamp Opie and Anthony Judy Blume Jerry Falwell Alfred Kinsey Hugh Hefner and the Guerilla Girls Covering the history of censorship of sexual ideas and images is one way of telling the story of modern America and Semonche tells that tale with insight and flair Despite the varieties of censorship running from self censorship to government bans a common story is told Censorship whether undertaken to ward off government regulation to help preserve the social order or to protect the weak and vulnerable proceeds on the assumption that the censor knows best and that limiting the choices of media consumers is justified At various times all of the following groups were perceived as needing protection from sexually explicit materials children women the lower classes and foreigners As social and political conditions changed however the simple fact that someone was a woman or a day laborer did not support stereotyping that person as weak or impressionable What would remain as the only acceptable rationale for censorship of sexual materials was the protection of children and unconsenting adults For each mode of media Semonche explains via abundant examples how and why censorship took place in America Censoring Sex also traces the story of how the cultural territory contested by those advocating and opposing censorship has diminished over the course of the last two centuries Yet Semonche argues the censorship of sexual materials that continues in the United States poses a challenge to the free speech that is part of the foundation upon which the nation is built Indeed in an era in which sexual images are pervasive and the need for reliable information about sex and sexuality is growing he questions the remaining rationales for censorship and the justification for placing obscenity outside the protection of the U S Constitution

The Sexual Politics of Ballroom Dancing Vicki Harman, 2018-10-10 This book presents an engaging sociological investigation into how gender is negotiated and performed in ballroom and Latin dancing that draws on extensive ethnographic research as well as the author s own experience as a dancer It explores the key factors underpinning the popularity of this leisure activity and highlights what this reveals more broadly about the nature of gender roles at the current time The author begins with an overview of its rich social history and shifting class status establishing the context within which contemporary masculinities and femininities in this community are explored Real and imagined gendered traditions are examined across a range of dancer experiences that follows the trajectory of a typical learner from finding a partner attending lessons and forming networks through to taking part in competitions The analysis of these narratives creates a nuanced picture of a dance culture that is empowering yet also highly consumerist and image conscious a highly ritualised set of practices that both reinstate and transgress gender roles This innovative contribution to the feminist leisure literature will appeal to students and scholars of anthropology dance sport gender cultural and media studies
