The 4 Dimensions of Total Customer Service Stuart McKechnie, 2014-08-08 This book is about Total Customer Service. It applies to all types of organisations, large and small, private or public. It considers the ongoing, changing context and circumstances such as technology, social media, and remote buying, which influence the relationship between the selling organisation and the buying customer. It introduces The Customer Service Hallmark, a unique Customer Service Quality Standard and guiding implementation and benchmarking framework.
