Saul Samuel Ridout,2015-04-17 The following pages begun several years ago and now in the mercy of God completed are an effort to give a brief series of notes upon the first book of Samuel The title King Saul the man after the flesh shows us the central figure of the book a type too of the fleshly condition of the nation as a whole The lessons connected with the rise reign and end of King Saul are many and all point to the utter unprofitableness of the flesh in its greatest excellence to be aught that is acceptable to God The subject in one sense is a depressing one and the proper effect should be to turn us from the contemplation of the man after the flesh to the man after God s own heart David who comes upon the scene in the latter part of the book and shows the contrast between faith and nature As a type of Christ he is the antidote to the baleful example and influence of poor Saul and thus shows how God would ever lead even through the knowledge of sin in ourselves and of the evil about us not to occupation with that but with Him who is the Deliverer of His people May the Lord use this effort to trace the workings of the flesh and the triumphs of His grace to the blessing of His people A word of explanation may not be out of place as to the character of Jonathan spoken of in the body of the book The matter is one of great delicacy and the writer shrinks from taking the edge off any wholesome lessons that have been connected with the character and position of Jonathan but would only call attention to what is said in the body of the book and leave each reader free to draw his own conclusions

The Cost of Disobedience Keisha Dream,2010-06-24 The Cost of Disobedience is designed to give us an understanding about how God feels about his instructions and how important it is for us to obey them However this topic is a sensitive subject to talk about and is directed to every human being especially those who believe and has a relationship with the Lord Almighty This subject is sensitive because we can t blame or look to anybody but ourselves in regards to our choices No one can obey God for us it is something we have to do deal with individually It is also the very thing that we can hide from other s and appear as if we are pleasing God completely None of us want to hear that we are being disobedient to anything and or anybody especially God However obeying God is something we need to hear and be reminded to do since disobedience appears as a silent blessing stealer and is the core reason why so many of us have not received our promises even though we are doing a lot of things God has instructed us to do as believers Remember obedience is better than sacrifice This book is not designed to condemn us but to give us knowledge about God and truth about the consequences of our disobedience towards God God wants us to walk away after reading this book with a strong desire and drive to obey him so we can receive everything he has promised God said if we love him then we should follow his commands So obeying God is even an act of worship and reverence to God It shows God and proves to ourselves that we truly love him God wants us to always know that he loves us he is our father and anything he ask of us is for our benefit God not only instructs us but he helps us we don t have to do it alone and apart frm God we won t be able to obey him and be the person he has designed us to be

David's Flight: Hunted by King Saul Ahmed Musa,2024-12-13

A king s jealousy A young hero s courage A flight for survival that would shape a destiny David the anointed future king of Israel was once the favored son in law of King Saul But when jealousy and fear took hold of Saul s heart David s world turned upside down Suddenly the very man who had once called David a friend became his fiercest enemy David s Flight Hunted by King Saul takes you deep into the wilderness of Israel where David pursued by a paranoid king learned the hard lessons of faith patience and reliance on God As Saul s relentless pursuit brought David into dangerous situations he was forced to flee for his life yet through it all God s protection and purpose for David s future never wavered In David s Flight Hunted by King Saul you will discover The dramatic shift in David s life from the champion of Israel to a fugitive on the run and how this change challenged his faith and trust in God The complexities of Saul s jealousy and fear and how those emotions blinded him to God s will for his kingdom and David s role in it The powerful moments when David though hunted and betrayed refused to take matters into his own hands waiting for God s perfect timing for his elevation to the throne The emotional and spiritual growth David experienced in the wilderness where God taught him invaluable lessons about humility leadership and dependence on divine guidance The encouragement and inspiration we can draw from David s refusal to retaliate against Saul showing the power of forgiveness and trust in God s justice David s flight wasn t just about physical escape it was about spiritual survival and preparation for a future he didn t yet understand Every cave he hid in every battle he fought and every moment of vulnerability shaped him into the leader God intended him to be Through betrayal hardship and seemingly impossible odds David s heart was tested and it was in the wilderness where God refined his character Have you ever felt hunted or betrayed by someone you trusted How does David s story challenge you to wait on God and trust His protection even in the darkest times David s story teaches us that even in our lowest most desperate moments God is with us preparing us for what lies ahead Trusting His timing and His purpose will always lead us to the victory He has promised Step into David s Flight Hunted by King Saul and learn from the remarkable resilience of a young man who refused to let fear or hatred turn him away from his calling When God is with us no enemy can prevail our journey through the wilderness is never in vain
