Saving Forever The Ever Trilogy Book English Edition:

Grace Saves All David Artman, 2020-04-17 Grace is amazing About this all Christians agree Yet nearly all forms of Christianity put significant limits on grace Those forms of Christianity which proclaim grace alone actually saves typically don't believe God gives grace to everyone while those forms of Christianity which proclaim God gives grace to everyone typically don't believe grace alone actually saves Must grace either be that which saves alone but doesn't go to all or that which goes to all but doesn't save alone In Grace Saves All David Artman argues that grace saves alone and goes to all This inclusive approach to Christianity is variously called universal reconciliation universal salvation or perhaps most accurately Christian universalism He contends that the inclusive Christian universalist approach is necessary because it offers the only Christian theology which successfully defends the goodness of God For it logically follows that if God is all good all knowing and all powerful then God must also be all saving Often dismissed as a modern feel good theology Christian universalism is an ancient orthodox and biblical theology which was expounded by early Christians and early church fathers Artman brings much deserved attention to this wonderful spirituality
