Day, 2021-04-04 Randy Banks is a young man just out of high school who is working in the oil business as a driller. He is the son of a man who was reared with crude oil in his veins and he has been taught to look at women in only one way. He is a boy who learned from his father and the will of the people in the small town where he spent his childhood. Randy is mirrored by a close friend, Summer Williamson, who has the same relationship with men as he has with women; only she is the daughter of the wealthiest oilman in town. The unnatural pairing of the two occurs when they are seen by the town as the perfect couple and it reaches an unforgiving climax on a hot July night when they have both had too much to drink. The unfolding of the relationship, Summer's personal journey, the parallel roles that other people play in their lives, and the negative influence of the search for oil money and status takes the reader on a soul-searching journey where there is only one answer. There is also a crudeness to this story of romance that causes the reader to pause in an assessment of how a particular culture can influence and direct the lives of so many willing and unwilling participants. Some of it is innocent and some of it is hard and callous. It is up to the reader to decide where the truth lies and why. **Summer Nights** Dee Felice, 2018-04-27 Erica and all of their friends are friends. Just when Erica is about to give up on Nathan and accept that all they would ever be is just good friends, he discovers that with a simple kiss of convenience to deter his ex, he had suppressed feelings of his own for Erica. Experience a journey from friendship in to much more in this first installment of the Summer Night series. This book is intended for mature readers. Contains graphic sexual scenes and language. **One Summer Night - 3 Book Box Set** Carol Marinelli, 2016-01-01 An Indecent Proposition Zander Kargas developed his drive to succeed first from his father's cruel fists, then from living on the streets. He's fought for everything and few challenges remain, or so he thinks. Charlotte is Zander's secretary and the only woman to fire him. Zander assumes he can acquire her by reaching into his wallet, except Charlotte can't be bought. So Zander must entice her, starting with an indecent proposition. Beholden To The Throne Outspoken nanny Amy Bannister seems to forget that servitude and silence should go hand in hand. But Sheikh Emir can think of more pleasurable uses for her luscious mouth. Despite their passion, the rules of the Alzan desert kingdom make it impossible for her to wear his crown. He lost his first wife as she gave birth to his precious twin daughters, but Emir must have a male heir for his lineage to continue, and it's the one thing that Amy can't give him.
